| **Comments for Public Posting:** | The Legacy & Wealth Preservation Angle (SMALL BUSINESS OWNER) Subject/Position: STRONGLY IN FAVOR / YES ON MOTION (Commercial Tenant Anti-Harassment) Comment: As a Black-owned small business owner in Los Angeles, I am writing to urge the City Council to vote YES on the motion for a Commercial Tenant Anti-Harassment Ordinance. Minority-owned legacy businesses are the economic backbone of our neighborhoods, yet we are being targeted and systematically pushed out by predatory commercial landlords. Landlords are intentionally using bad-faith tactics—withholding critical building repairs, ignoring structural safety issues, and initiating sudden, extreme rent hikes—solely to force long-term tenants of color out so they can flip or redevelop the properties. This targeted harassment directly strips wealth from minority entrepreneurs who have invested years into building their businesses. We do not have the legal teams that corporate property groups have to fight back. We need LA to enact strong commercial tenant protections to safeguard minority small businesses and preserve the cultural and economic fabric of our communities. Pass this motion. |
