Comments for Public Posting:	My name is Taylor and i am writing in support of item 18. The violence unleashed on students on both the USC and UCLA campuses must be met with accountability. LAPD received over $3 billion dollars for the 2023-2024 fiscal year. The people have a right, and this council has a duty, to demand answers and to hold LAPD accountable for its actions. This issue matters to me because as an educator I care about student safety. Please support item 18, thank you.

Comments for Public Posting:	My name is Anna Mkhikian. I'm a USC alumnus and constituent in CD 2 writing in support of accountability for LAPD's violence at campus protests. LAPD received over $3 billion dollars for the 2023-2024 fiscal year. The people have a right, and this council has a duty, to demand answers and to hold LAPD accountable for its actions. This issue matters to me because I think it's incredibly important for people to be able to exercise their right to protest, particularly in solidarity with victims of an ongoing genocide. I am also taking this opportunity to implore the council to pass a resolution for a ceasefire in Gaza. Thank you.

This issue matters to me because I am a human being concerned about the genocide of fellow human beings -- it's that simple! I am also an American who believes in freedom of speech and freedom of assembly. That should be protected for all of our students and residents! I am also taking this opportunity to implore the council to pass a resolution for a ceasefire in Gaza (A Ceasefire resolution is the bare minimum you should be doing! Comments for Public Posting:	Our parks need the budget! They are mental health oases in a city that deprioritizes mental health programs. Please no more funds for abuse & murders by LAPD.
