Comments for Public Posting:	My name is Deborah Lopez. I am writing in support of item 18. The violence unleashed on students on both the USC and UCLA campuses must be met with accountability. LAPD received over $3 billion dollars for the 2023-2024 fiscal year. The people have a right, and this council has a duty, to demand answers and to hold LAPD accountable for its actions. It is the students' constitutional right to peacefully express themselves, and that right was directly violated by the LAPD. Our students deserve better. Please support item 18, Thank you.

Comments for Public Posting:	The ucla encampment was terrorized by Zionist on April 30, and the police the following day. I was one of the students that were attacked by the counter protesters and the police. It’s not okay that we were brutally attacked and arrested the following day. It’s not okay that the Zionist can get away free since the police did nothing to stop them from attacking us. It’s almost as if they let it happen. We the students demand justice!

This issue matters to me because I find it concerning that the LAPD can allow people to be harmed without any accountability. -. Please support item 18, thank you.
