Office of the City Engineer

Los Angeles, California

To the Honorable Council

Of the City of Los Angeles

JUL 0 8 2005

Honorable Members:

C. D. No. 11

SUBJECT:

Abbot Kinney Boulevard and Brooks Avenue Vacation District - Resolution to Vacate – VAC-E1400486-R - Council File No. 94-0657.

RECOMMENDATIONS:

A. That the City Council reaffirm its findings of March 8, 1995, under Council File No. 94-0657 that this vacation is in substantial conformance with the General Plan pursuant to Section 96.5 (5) of the City Charter.

B. That the Resolution to Vacate No. 05-1400486-R for this vacation be adopted.

C. That there is a public benefit to this street vacation. Upon vacation of the street, the City is relieved of its ongoing obligation to maintain the street. In addition, the City is relieved of any potential liability that might result from continued ownership of the involved street easements.

D. That following Council adoption, Resolution to Vacate No. 05-1400486-R be transmitted to the Land Development Group of the Bureau of Engineering for recordation of the Resolution with the County Recorder.

TRANSMITTALS:

1. Draft of Resolution to Vacate No. 05-1400486-R.

DISCUSSION:

Resolution to Vacate: All conditions of the Council's action of March 8, 1995, under Council File No. 94-0657 have been fulfilled.

Resolution to Vacate No. 02-1400486 was approved by the City Council on November 5, 2002. It has been discovered that the easements for public utilities being reserved from the vacation area in said resolution were in error. The resolution (05-1400486-R)

transmitted for approval will correct the errors in the previous document. Upon adoption and recordation of the Resolution to Vacate No. 05-1400486-R, the original Resolution to Vacate No. 02-1400486 recorded in the office of the LA County Registrar – Recorder as Document # 03-1468016, be deemed null and void.

Resolution to Vacate No. 05-1400486-R has been approved as to form and legality by the City Attorney.

Environmental Considerations: The City Council, on October 21, 1997, found that the Negative Declaration No. BE 230-97, filed with the City Clerk on July 11, 1997, complies with the California Environmental Quality Act of 1970.

Los Angeles City Charter: The Council's action of March 8, 1995 complies with the requirements of Section 96.5 (5) of the City Charter.

Respectfully submitted,
