ORDINANCE NO. 180834

An ordinance amending and adding provisions to Article 4 of Chapter 1 of Division 7 of the Los Angeles Administrative Code to provide for implementation of the "Own a Piece of Los Angeles" (OPLA) Program concerning the sale of City-owned remnant surplus properties.

THE PEOPLE OF THE CITY OF LOS ANGELES DO ORDAIN AS FOLLOWS:

Section 1. The first unnumbered paragraph of Section 7.22 of the Los Angeles Administrative Code is amended to read:

Before the Council, or the Municipal Facilities Committee for the direct sale of "remnant" properties, determines that real property proposed for sale is no longer required for the use of the City and that the public interest or necessity require its sale, the proposed sale shall be considered as follows:

Sec. 2. Subsection (a) of Section 7.22 of the Los Angeles Administrative Code is amended to read:

Sec. 7.22. Recommendations Required of City Departments.

(a) The Department of General Services shall determine whether the City owns a salable interest in the real property, shall appraise said real property at its fair market value; and shall recommend a minimum sale price to the Council or the Municipal Facilities Committee, as applicable.

Sec. 3. Subsection (d) of Section 7.22 of the Los Angeles Administrative Code is amended to read:

(d) In cases involving the direct sale of surplus City-owned property, except "remnants" as defined in Section 7.27.1(a), the City Administrative Officer shall review the proposed direct sale and recommend to the Council upon its propriety.

Sec. 4. Subsection (e) is added to Section 7.22 of the Los Angeles Administrative Code to read:

(e) In cases involving direct sales of City-owned "remnants" as defined in Section 7.27.1(a), the Department of General Services shall review the proposed sale, and shall recommend to the Municipal Facilities Committee upon its propriety. Thereafter, the Municipal Facilities Committee may determine that the public interest or necessity require completion of the sale and authorize it, including the immediate opening of

escrow. In the event of such a determination by the Municipal Facilities Committee with respect to the sale of a "remnant" as defined in Section 7.27.1(a), the Municipal Facilities Committee may authorize the execution of a deed or other instrument necessary to effectuate the sale at and for the fair market value of the property as appraised by the Department of General Services, and upon the terms and conditions contained in the document entitled Title Transfer Instructions (Escrow) approved by the City Council and made a part of Council File No. 07-1894. Any substantive deviations from those terms and conditions, as determined by the City Attorney, shall require approval by the City Council by ordinance.

Sec. 5. Section 7.27 of the Los Angeles Administrative Code is amended to read:

Sec. 7.27. Private Sale.

The Council, or the Municipal Facilities Committee in cases involving "remnants" as defined in Section 7.27.1(a), may determine that the public interest or necessity require the sale, conveyance or exchange of real property owned by the City or any City department, of the quitclaiming by the City or by any City department, of any interest in real property without notice of sale or advertisement for bids. In the event of this determination, the City Council may, by ordinance authorize the execution of a deed, contract or other instrument necessary to effect the sale, conveyance, exchange or quitclaim at and for a price or consideration and upon the terms and conditions to be specified in the ordinance; provided, however, that the ordinance shall be subject to the provisions of Sections 252 and 461 of the City Charter. In the event of such a determination by the Municipal Facilities Committee with respect to the sale of a "remnant" as defined in Section 7.27.1(a), the Municipal Facilities Committee may authorize the execution of a deed or other instrument necessary to effectuate the sale at and for the fair market value of the property as appraised by the Department of General Services, and upon the terms and conditions contained in the document entitled Title Transfer Instructions (Escrow) approved by the City Council and made a part of Council File No. 07-1894. Any substantive deviations from those terms and conditions, as determined by the City Attorney, shall require approval by the City Council by ordinance.

Sec. 6. Section 7.27.1 of the Los Angeles Administrative Code is added to read:

Sec. 7.27.1. Sale of Surplus City-Owned Remnant Property.

Notwithstanding any other provision of this Code to the contrary, City-owned "remnants" under the jurisdiction and control of the Department of General Services may be sold by private sale as authorized by Section 7.27, provided all of the following criteria are met:

(a) Each property subject to sale must be a surplus City-owned "remnant". "Remnant" means real property meeting the requirements of Section 7.22 of the Los Angeles Administrative Code which (A) has less than the minimum legal residential building lot size for the jurisdiction in which the parcel is located, or less than 5,000 square feet in area, whichever is less, or (B) has no record access and is less than 10,000 square feet in area; and is not contiguous to land owned by a state or local agency, that is used for park, recreational, open-space, or low- and moderate-income housing purposes, and is not located within an enterprise zone pursuant to Section 7070 of the California Government Code, nor a designated program area as defined in California Government Code section 7082;

(b) The direct sale must be an all cash transaction and the buyer(s) must pay fair market value for the remnant as determined by an appraisal by the Department of General Services;

(c) The buyer(s) must be owners of an "adjoining property." An "adjoining property" is one which shares a common boundary with the remnant subject to sale;

(d) The Department of General Services shall offer the remnant for sale to all adjoining property owners, and utilize a competitive process to select the buyer(s) using price as its criteria;

(e) The terms and conditions of each sale must be those approved by the City Council in the document entitled Title Transfer Instructions (Escrow) and made a part of Council File No. 07-1894, and must be presented by the Department of General Services to the Municipal Facilities Committee for approval, and shall be approved as to form by the City Attorney; and

(f) Any remnant meeting the criteria set forth in California Government Code section 54221(f) must first be offered for sale to the State in accordance with Government Code section 54220, *et seq.*

Sec. 7. The City Clerk shall certify to the passage of this ordinance and have it published in accordance with Council policy, either in a daily newspaper circulated in the City of Los Angeles or by posting for ten days in three public places in the City of Los Angeles: one copy on the bulletin board located at the Main Street entrance to the Los Angeles City Hall; one copy on the bulletin board located at the Main Street entrance to the Los Angeles City Hall East; and one copy on the bulletin board located at the Temple Street entrance to the Los Angeles County Hall of Records.

I hereby certify that this ordinance was passed by the Council of the City of Los Angeles, at its meeting of JUL 28 2009.
