TRANSPORTATION

RESOLUTION

WHEREAS, the Los Angeles City Council, by Ordinance No. 157,425, effective March 18, 1983, provided for the establishment of Preferential Parking Districts by Resolution of the Council in each case, under Section 80.58 of the Los Angeles Municipal Code; and

WHEREAS, on January 4, 1983, the City Council established Preferential Parking District (PPD) No. 6 in the Comstock Hills area, authorizing the use of a two-hour parking restriction from 8 am - 6 pm Monday - Friday; and

WHEREAS, residents within the area of the City bounded by, but not including Rochester Avenue, Beverly Glen Boulevard, the first alley north of Santa Monica Boulevard, and Club View Drive (inclusive), submitted petitions to the Department of Transportation for the establishment of PPD No. 6; and

WHEREAS, the Department determined that the petitions represented residents living in two-thirds of the dwelling units comprising not less than fifty percent of the developed frontage of eight blocks included in the petitions; and

WHEREAS, the Department has made parking studies which indicate that the impacted areas have a parking occupancy of more than seventy-five percent of the available legal parking spaces, with more than twenty-five percent of the available legal parking spaces being occupied by vehicles registered to nonresidents of these areas, thus meeting the criteria set forth in Section 80.58, Los Angeles Municipal Code, as amended; and

WHEREAS, when PPD No. 6 was expanded in 1989, the Council authorized additional parking restrictions on the new streets, however, the original streets remained subject to the original parking restrictions; and

WHEREAS, the addition of new businesses nearby and the close proximity to Century City has reduced the number of on-street parking available for residents and additional parking restrictions are needed to ensure greater protection from neighborhood intrusion;

NOW, THEREFORE BE IT RESOLVED, that the City Council, pursuant to Los Angeles Municipal Code Section 80.58, amends Preferential Parking District No. 6 to authorize the use of "No Parking Anytime-Vehicles with District No. 6 permits exempt" for installation on all streets within the boundaries of PPD No. 6 if valid petitions are received by the Department of Transportation requesting the installation or requesting a switch from less restrictive restrictions currently posted.

BE IT FURTHER RESOLVED, that all other terms and conditions of Preferential Parking District No. 6 remain unchanged.
