Comments for Public Posting:	My name is Barbara and I currently live in Monterey County, CA. I was born and raised in Los Angeles County, so I have a great interest in issue. I support animal welfare everywhere and was very proud that animal organizations from Monterey County stepped up and assisted in animal care and relocation during last year's devastating fires in L.A. county. I urge this committee to support this lifesaving investment into the community's animal welfare. With this historic collaboration between LAAS, the ASPCA, and Best Friends Animal Society, we can save more lives going through our shelter system while also significantly improving this public service to our community. Thank you.
