IN DEFENSE OF ANIMALS

June 3, 2026
Los Angeles City Hall
200 N. Spring St.,
Los Angeles, CA 90012

Dear Councilmembers,

Enclosed are signatures from 10,737 people who support Council File 25-0193, which would establish a sister city relationship between Los Angeles and Hanoi, Vietnam.

The motion introduced by Councilmember Bob Blumenfield and seconded by Council President Marqueece Harris-Dawson would promote a relationship that could improve cultural, economic, and educational interests — in addition to improving animal welfare.

The impetus to end dog and cat meat is in the last sentence of the motion, which refers to Council File 19-0002-S101, which is Los Angeles' official policy to oppose dog meat.

Multiple surveys show **strong support among Vietnamese citizens** for a ban on the dog and cat meat trade. Studies have found the trade is coming under increased scrutiny, and poses a major health risk by reducing the efficacy of programs to combat the spread of rabies, which is endemic in the country.

Not only would this sister city program improve public health and save millions of animals from horrifying fates in this unregulated trade, but it would bolster economic development through trade and tourism, create connections between individuals and institutions, help establish educational opportunities, and foster the sharing of arts and culture.

I urge you to vote in support of this motion. Thank you for your consideration of this important and timely matter.

Sincerely,

Marylin Kroplick, MD
