TRANSPORTATION

MOTION

Leimert Park is a neighborhood in the 10th Council District that was developed in the 1920s as a mainly residential community, featuring Spanish Colonial Revival homes and tree-lined streets. The core of Leimert Park is Leimert Park Village, which consists of Leimert Plaza Park, shops on 43rd Street and on Degnan Boulevard, and the recently renovated Vision Theater.

As more and more residents and visitors enjoy Leimert Park, Leimert Park Village, and its many neighborhoods it's time for the City to be thoughtful and purposeful in creating and implementing a Leimert Park Bikeable and Walkable Communities Strategic Plan that will enhance the public infrastructure, increase quality of life standards, and provide protection to bicyclists and pedestrians from collisions and injuries.

Beginning with the area bounded by Dublin Avenue, MLK Jr Blvd, Weiland Avenue, and Obama Boulevard/Coliseum Street, the Department of Transportation (LADOT) should study and report back quickly with recommendations on quick-build treatments, including but not limited to: roundabout bollards placed in the middle of intersection; blinking lights around all stop signs at intersection; create 4-way stops; update street markings with paint; partial closures to vehicles; speed tables/humps; and median extensions. The Department should also report back with long-term solutions as a follow up to the quick-build implementation.

I THEREFORE MOVE that the Council INSTRUCT the LADOT to report back with recommendations on quick-build treatments within the area bounded by Dublin Avenue, Martin Luther King Jr. Boulevard, Weiland Avenue, and Obama Boulevard/Coliseum Street, including but not limited to: roundabout bollards placed in the middle of an intersection; blinking lights around stop signs at an intersection; replacing two-way stops with four-way stops; updating street and curb markings with paint; partial closures to vehicles; speed tables/humps; and median extensions.

I FURTHER MOVE that $100,000 in the Council District 10 portion of the Council Discretionary Street Furniture Fund No. 43D, Dept. 50 be transferred/ appropriated to the Department of Transportation Trust Fund Dept. 94, Fund 840, New Account with Title " Leimert Park Bikeable and Walkable Communities Strategic Plan".

I FURTHER MOVE that the Department of Transportation be authorized to make any corrections, clarifications or revisions to the above fund transfer instructions, including any new instructions, in order to effectuate the intent of this Motion, and including any corrections and changes to fund or account numbers; said corrections / clarifications/ changes may be made orally, electronically or by any other means.
