RE: REQUEST FOR THE ESTABLISHMENT OF A NEW OVERNIGHT PARKING DISTRICT (OPD) – OXFORD SQUARE

Dear Ms. Rubio-Cornejo:

My office has received a request from a CD10 community and the Wilshire Area Community Police Station requesting the establishment of a new Overnight Parking District from 2am to 6am which will include the following blocks and allow residents to purchase permits:

South Windsor Boulevard between Olympic Blvd and Pico Blvd (1000, 1100 & 1200 blocks)
South Victoria Avenue between Olympic and Pico (1000, 1100 & 1200 blocks)
W. 12th Street between South Victoria Ave and South Windsor Ave (4300 block)
Country Club Drive between South Crenshaw Blvd and South Windsor Ave

I support this request because the area has been adversely affected by commercial and passenger vehicles from outside the community that have led to increases in crime and a reduction in quality-of-life as outlined in the LAPD letter. I request your support to establish a new Overnight Parking District here.

If you have any questions, please contact Jungmin Lee of my staff at 213-675-2987. Thank you for your prompt attention to this matter.

Sincerely,

Heather Hutt
