ARTS, PARKS, LIBRARIES, AND COMMUNITY ENRICHMENT COMMITTEE REPORT and RESOLUTION relative to authorizing an appropriation from the Department of Recreation and Parks (RAP) to the Information Technology Agency (ITA) for communication services in Fiscal Year (FY) 2025-26.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. ADOPT the accompanying Resolution, attached to Council file No. 25-0906, authorizing the appropriation in the amount of $400,000 from the RAP to the ITA for the communication services the ITA provides to the RAP in FY 2025-26.

2. AUTHORIZE the following appropriation from the RAP to ITA:

   $400,000 from Fund No.302/89, Account No. 89712H, Computer System Development to Fund No. 100/32, Account No. 009350, Communication Services.

3. AUTHORIZE the Chief Accounting Employee, RAP, to transfer cash and reimburse ITA's General Fund on an as-needed basis up to the appropriation amount set forth above upon receipt of proper documentation and approval from RAP's IT Division.

4. AUTHORIZE the General Manager, Chief Accounting Employee, or designee, RAP, to make technical corrections as necessary, consistent with the intent of the Report.

Fiscal Impact Statement: The Board of Recreation and Park Commissioners reports that the recommended appropriation and transfer of funds will have no negative impact on the RAP General Fund as the source of funds shall be from RAP's special fund.

CATEGORICAL EXEMPTION, ARTS, PARKS, LIBRARIES, AND COMMUNITY ENRICHMENT COMMITTEE REPORT relative to the proposed agreement with the Volunteers of America of Los Angeles for the use of a building at the Valley Plaza Park, for the operation of a Head Start preschool program.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. DETERMINE that approval of the Agreement (Project) is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Article 19, Section 15301 [Operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use] of California CEQA Guidelines as well as Article III, Section 1, Class 1(14) of City CEQA Guidelines and direct RAP staff to file a Notice of Exemption (NOE) with the Los Angeles County Clerk and the Governor's Office of Land Use and Climate Innovation.

2. APPROVE the proposed agreement (Agreement), attached to Council file No. 25-1212, with the Volunteers of America of Los Angeles for the exclusive use of a stand-alone building located at 12331 Vanowen Street, North Hollywood, California 91606, at the Valley Plaza Park, for the operation of a Head Start preschool program, subject to the approval of the City Council and the City Attorney as to form.

3. AUTHORIZE the Chief Accounting Employee, RAP, to prepare a check to the Los Angeles County Clerk in the amount of $75 for the purpose of filing the NOE.

4. AUTHORIZE Staff to continue collecting Staff Impact Cost Recovery Reimbursement Fee (CRRF) Payments for deposit in the sub account in Fund No. 302/89 designated for the Volunteers of America of Los Angeles.

5. AUTHORIZE the Board President and Secretary to execute the Agreement subsequent to all necessary approvals.

6. AUTHORIZE the RAP to make technical corrections in order to carry out the intent of the Board in approving this Report.

Fiscal Impact Statement: The Board of Recreation and Park Commissioners reports that the proposed Agreement will have no

adverse fiscal impact on the RAP General Fund, as the Volunteers of America of Los Angeles is a self-sustaining Head-Start program, and operational and Program costs will be covered by the Volunteers of America of Los Angeles.

(13) **25-1145**

ENERGY AND ENVIRONMENT COMMITTEE REPORT relative to possible uses for the parcels of land beneath and adjacent to transmission lines along Ilex Avenue in the Sun Valley neighborhood.

Recommendation for Council action, pursuant to Motion (Padilla – Yaroslavsky):

REQUEST the Department of Water and Power (DWP) with the assistance from the Chief Legislative Analyst (CLA) and, in coordination with the Department of Recreation and Parks, Bureau of Street Services, Bureau of Engineering and other related City departments, to:

a. Conduct a site assessment of DWP-owned parcels along Ilex Avenue in Sun Valley, specifically from Snelling Street to Telfair Avenue, to evaluate current conditions and identify any safety or access/liability concerns.

b. Report on allowable uses for these parcels under DWP Right-of-Way policies, applicable zoning, public safety regulations, and any future plans for these parcels.

c. Explore the feasibility of enhancing these parcels for community-serving purposes such as passive and active recreation, gathering areas, development of a dog park, and shade infrastructure (e.g., trees, gazebos, canopies, or other shade shelters).

d. Engage with local stakeholders and community organizations to gather input and assess interest in potential uses.

e. Report to the Council within 90 days with findings and recommendations, including potential pilot programs or partnerships that could activate these sites as shared-use spaces.

(14) **25-0974**

ENERGY AND ENVIRONMENT COMMITTEE REPORT relative to the City's participation in the ShadeLA campaign, assigning department liaisons for a shade-tracking dashboard, streamlining permitting processes related to natural shade, and related matters.

Recommendations for Council action, pursuant to Motion (Yaroslavsky, Raman – Hernandez, Rodriguez):

1. AUTHORIZE formally the City's participation in the ShadeLA campaign as a City-supported and citywide initiative aligned with the goals of the draft Urban Forest Management Plan, Heat Action and Resilience Plan, and the City's broader heat resilience and climate preparedness strategies.

2. INSTRUCT the Bureau of Street Services (BSS), Bureau of Engineering (BOE), Department of City Planning (DCP), Department of Recreation and Parks, Department of Transportation, Emergency Management Department, and other departments as appropriate to each designate a department liaison to participate in ShadeLA coordination efforts. These efforts include the identification of relevant programs, resources, and related data for ShadeLA to create and maintain a public-facing, open-source dashboard to track shade and cooling infrastructure across the City.

3. INSTRUCT the BOE with support from the BSS, DCP Office of Forest Management, and all other relevant bureaus and departments to report within 60 days with an evaluation of existing processes and recommendations on:

    a. Automation and/or streamlining of permitting processes and potential improvements related to natural shade (e.g., trees, pocket parks).

    b. Establishment an expedited approval for permanent or temporary shade elements including shade elements for bus benches, modular shade structures, shade sails, temporary canopies, particularly where such structures are within the public right-of-way.

    c. Optimal tree spacing and planting practices, and sustainable practices for maintenance and preservation of existing trees that prevents negative impact to public infrastructure.

d. A status report and timeline from the BSS on the progress of adopted standard plans for the Shade Structure Program Element from the Sidewalk and Transit Amenities Program (STAP) Contract C-141478, along with an implementation plan for installing STAP Shade Structures.

ENVIRONMENTAL IMPACT REPORT (EIR), STATEMENT OF OVERRIDING CONSIDERATIONS, MITIGATION MONITORING PROGRAM, and ENERGY AND ENVIRONMENT and BUDGET AND FINANCE COMMITTEES' REPORT relative to the MacArthur Lake Stormwater Capture Project (Project).

Recommendations for Council action:

1. REVIEW and CONSIDER the information contained in the Project's EIR, consisting of the Draft EIR (Transmittal No. 1 of the Board of Public Works (BPW) report dated September 22, 2025, attached to the Council file) and the Final EIR (FEIR) (Transmittal No. 2 of said BPW report) and any other information in the record of proceedings; CERTIFY that the FEIR was completed in compliance with the California Environmental Quality Act (CEQA); that potentially significant environmental effects of the Project have been disclosed and evaluated in compliance with the CEQA.

2. ADOPT the Project's CEQA Findings and Statement of Overriding Considerations (Transmittal No. 3 of said BPW report).

3. ADOPT the Mitigation Monitoring Program (Transmittal No. 4 of said BPW report).

4. SPECIFY that the documents constituting the record of proceedings in this matter are in the custody of the Department of Public Works, Bureau of Sanitation and Environment, 1149 South Broadway, Suite 900, Los Angeles, CA 90015, and any other relevant City department.

5. APPROVE the Project as described in the FEIR.

Fiscal Impact Statement: None submitted by the BPW. Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

ENERGY AND ENVIRONMENT and BUDGET AND FINANCE COMMITTEES' REPORT relative to applications for the United States Environmental Protection Agency (USEPA), Office of Water, Office of Ground Water and Drinking Water, Midsize and Large Drinking Water Infrastructure Resilience and Sustainability Program – Fiscal Year (FY) 2025.

Recommendations for Council action:

1. AUTHORIZE the General Manager, Department of Water and Power (DWP), or designee, to prepare and submit two grant applications for the USEPA, Office of Water, Office of Ground Water and Drinking Water, Midsize and Large Drinking Water Infrastructure Resilience and Sustainability Program - FY 2025.

2. INSTRUCT the General Manager, DWP, or designee, to report if the City is awarded the grants, to request authority to accept the

grant awards, and to request approval for any related actions to implement the grant awards.

Fiscal Impact Statement: The City Administrative Officer (CAO) reports that approval of the above recommendations will not result in a General Fund impact. There is a 10 percent matching funds requirement for the Midsize and Large Drinking Water System Infrastructure Resilience and Sustainability Program – FY 2025 grant. However, upon notification of a grant award, a reassessment on the General Fund impact should be completed as it relates to either lower than requested grant award amounts, verification of local match requirements, or front-funding for grants on a reimbursement basis.

Financial Policies Statement: The CAO reports that the above recommendations comply with the City's Financial Policies.

ENERGY AND ENVIRONMENT and BUDGET AND FINANCE COMMITTEES' REPORT and RESOLUTIONS relative to amended and restated wastewater system revenue bonds general Resolutions.

Recommendations for Council action:

1. ADOPT the Amended and Restated Wastewater System Revenue Bonds General Resolution (the "A&R Senior Resolution")(Attachment A of the City Administrative Officer (CAO) report, dated September 9, 2025, attached to the Council file), effectuating amendments to the original Wastewater System Revenue Bonds General Resolution to modernize certain provisions to reflect current industry practices, enhance flexibility, and provide more favorable terms to the City, the form of which has been previously approved by the Council.

2. ADOPT the Amended and Restated Wastewater System Subordinate Revenue Bonds General Resolution (the "A&R Subordinate Resolution," and together with the A&R Senior Resolution, the "A&R Resolutions")(Attachment B of said CAO report), effectuating amendments to the original Wastewater System Subordinate Revenue Bonds General Resolution to modernize certain provisions to reflect current industry practices, enhance flexibility, and provide more favorable terms to the City, the form of which has been previously approved by the Council.

3. REQUEST the City Attorney to prepare and present an ordinance or ordinances amending certain sections of the Los Angeles Administrative Code and the Los Angeles Municipal Code, to the extent necessary, to conform such Codes to the A&R Resolutions.

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund from approval of the above recommendations as adoption of the A&R Resolutions is an administrative action.

Financial Policies Statement: The CAO reports that the above recommendations comply with the City's Financial Policies in that the A&R Resolutions are compliant with the City's Debt Management Policies.

Debt Impact Statement: The CAO reports that there is no debt impact resulting from the approval of the above recommendations as

adoption of the A&R Resolutions is an administrative action that is not related to the incurrence of additional debt.

TRANSPORTATION COMMITTEE REPORT relative to authorizing a contract with Syncromatics Corp., dba GMV Syncromatics, for design, procurement, implementation, support, integration, and maintenance services for new and existing transit technologies.

Recommendation for Council action:

AUTHORIZE the General Manager, Los Angeles Department of Transportation (LADOT), or designee, to execute a three-year contract, with two one-year options to extend, for a total of five years, with Syncromatics Corp., dba GMV Syncromatics, for design, procurement, implementation, support, integration, and maintenance services for new and existing transit technologies within LADOT’s Transit Services vehicles and systems, subject to City Attorney review and approval as to form, and total compensation not to exceed

$43,144,545 for the entire term of the contract, subject to availability of funds.

Fiscal Impact Statement: The City Administrative Officer (CAO) reports that funding for these services has been set aside in the Proposition A Local Transit Assistance Fund 2025- 26 Adopted Budget. Funding for subsequent years of the agreement is subject to Mayor and Council approval, the availability of funds, and will be appropriated through the City annual budget development process. The City financial obligation is limited to the extent of appropriations approved by the Council and Mayor. The recommendation in this report complies with the City Financial Policies in that budgeted funds are available for this purpose. There is no impact to the General Fund.

Financial Policies Statement: The CAO also reports that the action recommended in this report complies with the City Financial Policies in that the City's financial obligation is limited to available cash balances in the current budget year.

TRANSPORTATION COMMITTEE REPORT relative to amending the boundaries of the Santa Monica-Highland Parking Meter Zone (PMZ) in Council District 13.

Recommendations for Council action:

1. REQUEST the City Attorney to prepare and present an ordinance amending Subsection 26(A) of Section 88.00 of the Los Angeles Municipal Code to expand the boundaries of the

Santa Monica-Highland PMZ, to revise Line 3 and add Lines 9-15 as follows:

a. Highland Avenue from Lexington Avenue to Willoughby Avenue

b. Sycamore Avenue from Santa Monica Boulevard to Willoughby Avenue

c. Orange Drive from Santa Monica Boulevard to Willoughby Avenue

d. Mansfield Avenue from Santa Monica Boulevard to Willoughby Avenue

e. Citrus Avenue from Romaine Street to Willoughby Avenue

f. Willoughby Avenue from Sycamore Avenue to Highland Avenue

g. South side of Romaine Street from La Brea Avenue to Sycamore Avenue

h. Romaine Street from Sycamore Avenue to Highland Avenue

2. DIRECT the Los Angeles Department of Transportation (LADOT) to install metered parking directly in front of contiguous commercial properties in the expanded zone street segments listed above, upon City Council adoption of the expanded PMZ.

Fiscal Impact Statement:
The LADOT reports that there is no fiscal impact to the City's General Fund. The Street Parking Revenue Fund (SPRF) will fund the cost of implementing and maintaining the expanded PMZ, estimated at an initial cost of $515,000 to install parking meter equipment and

associated signs, stall markings, and red curb. The expanded boundary of the Santa Monica-Highland PMZ is estimated to generate approximately $1.6 million in annual gross revenue. The City may also generate additional General Fund revenue from the issuance of parking citations at the newly installed parking meters.

RESOLUTION

WHEREAS, the Los Angeles Development Fund (LADF), a non-profit Community Development Entity (CDE) was formed to apply for and manage an allocation of New Markets Tax Credits (NMTC) on behalf of the City; and

WHEREAS, NMTCs are used to facilitate economic development in low-income communities through retail, industrial, and mixed-use projects as well as community facilities; and

WHEREAS, since 2009, LADF has deployed at least $340 million in NMTCs that have funded the construction or rehabilitation of at least 32 projects throughout the City; and

WHEREAS, most recently, in the CY2022 round, LADF received a $50 million allocation of NMTCs; and

WHEREAS, LADF has issued letters of interest or has committed its most recent allocations on several projects throughout the City, including SoLa Crenshaw Center ($9 million), Project Angel Food ($10 million), the Jessie Lord Bakery ($8 million), and Hollywood Arts Phase II ($4.56 million); and

WHEREAS, LADF will require an additional allocation in order to fund more projects across the City; and

WHEREAS, LADF anticipates the release of the Notice of Allocation Availability (NOAA) for the CY2026 round NMTC Allocation Application and intends to apply for a new allocation of up to $70 million for the CY2026 application period prior to the deadline posted in the NOAA; and

WHEREAS, the City as "Controlling Entity" appoints 100 percent of the LADF Governing Board and is required to sign the NMTC application; and

WHEREAS, the City of Los Angeles desires to continue to expand the NMTC program over the next year; and

WHEREAS, the Council has previously supported LADF's applications for NMTCs from 2011 through 2024.

NOW, THEREFORE, BE IT RESOLVED, that by the adoption of this Resolution, the City of Los Angeles hereby: (1) Certifies its support of the Los Angeles Development Fund's CY2026 application for a New Markets Tax Credit allocation; (2) Certifies that it is the Controlling Entity of the Los Angeles Development Fund; and (3) Authorizes the City Clerk to sign the application on behalf of the Controlling Entity.

MOTION

The FamilySource System (FSS) is the City's mechanism for the delivery of anti-poverty services and initiatives. Established in 2009, the FSS is a network of 19 centers (FSCs) throughout Los Angeles that work to break the cycle of intergenerational poverty. All FSCs provide a robust menu of social services and outreach to low- and moderate-income parents and guardians with children, including emergency assistance resources and housing stability services for homeless prevention.

FSCs provide vital emergency assistance and supportive services, case management, food distribution, and housing stabilization services. Council District 9 has the ability to respond to the increased need for emergency assistance in Council District 9 in partnership with the FamilySource Center operated by All Peoples Community Center.

I THEREFORE MOVE that the Council:

1. **AUTHORIZE** the General Manager, or designee, of the Community Investment for Families Department (CIFD) to execute a contract amendment to City Contract No. C-202518 with All Peoples Community Center to add $200,000 to increase emergency assistance resources available to residents in Council District 9, subject to the approval of the City Attorney as to form.

2. **AUTHORIZE** the City Controller to transfer $200,000 from the General City Purposes Fund No. 100-56, Account No. 0623 (CD09 - Additional Homeless Service) to the Community Investment for Families Fund No. 100, Department 21, Account No. 003040 Contractual Services Account to increase emergency assistance resources available to residents in Council District 9.

3. **AUTHORIZE** the Community Investment for Families Department to make any technical corrections, clarifications, or revisions, as necessary, to implement the motion's intent.

Illegal dumping represents a significant and escalating challenge for the City of Los Angeles. In the first two months of 2025, Los Angeles received 22,046 reports of illegal dumping—an increase of 36% over the same period in 2024. This represents the highest count for this timeframe since at least 2018.

Illegal dumping encompasses the unauthorized disposal of waste materials on public or private property not designated for such purposes. Under California Penal Code § 374.3, illegal dumping includes disposing of waste matter on public roads, highways, rights-of-way, private property without consent, or in public parks not designated for waste disposal. This problem extends beyond simple littering, typically involving larger quantities of waste—usually defined as anything over 15 pounds or 27 cubic feet—and encompasses construction debris, hazardous materials, electronics, medical waste, and automotive parts.

The City recently closed a nearly $1 billion budget deficit through careful resource management and strategic agreements with labor partners. Despite successfully averting all planned civil service layoffs for fiscal year 2025-26, the City continues to face resource constraints that require innovative approaches to service delivery.

Council Aides serve as the direct connection between constituents and City government, conducting daily field work throughout their respective districts and possessing unique knowledge of local conditions and recurring problem areas. California Penal Code § 836.5 provides legal authority for public officers or employees to issue citations when authorized by local ordinance and upon completion of appropriate training requirements.

Numerous California municipalities have successfully implemented administrative citation programs that authorize trained municipal employees to enforce local ordinances through proper training protocols. The City currently operates an Administrative Citation Enforcement (ACE) Program under Article 1.2 of the Los Angeles Municipal Code, which provides a framework for non-criminal enforcement of municipal code violations.

Expanding enforcement capacity through existing personnel can enhance service delivery without requiring significant additional expenditures, aligning with the City's commitment to fiscal stewardship while addressing community needs.

I THEREFORE MOVE that the Council request the City Attorney, with assistance from the Bureau of Sanitation, to report within 60 days on the feasibility on establishing a legal framework authorizing designated Council Aide positions to issue administrative citations for illegal dumping violations under the City's existing Administrative Citation Enforcement (ACE) Program structure.

HOUSING & HOMELESSNESS

MOTION

The Los Angeles Housing Department provides professional services to renters, and housing providers in the City of Los Angeles. These professional services include policies and programs for tenant protection, and cost-recovery programs for housing providers such as: Seismic Retrofit, Substantial Remodel, Capital Improvement, and Just and Reasonable Rent Adjustment programs. It is in the interest of tenants and property owners to maintain modern and efficient systems, saving money for renters and housing providers.

In the last 10 years, state and local laws such as AB 1482 (the Tenant Rights Act), have been strengthened to ensure tenants' rights, resulting in a much more stable housing stock for all Angelenos. At the same time, housing providers demonstrate instances where the system currently in use by the LAHD contains outdated procedures and are requesting a more timely and streamlined process which can be updated via Council instruction. Issues include ensuring that email receipts are generated when a transaction or requirement is met, clarifying city requirements from the start of any process, and other efficiencies should be prioritized once the Housing Department reports with recommendations to address them.

The Housing Department employs professional staff that review all requests, including those via the Cost Recovery program, in order to render decisions. As Council adds to the requirements for housing providers to ensure tenant protections and habitability standards, the amount of interactions between the City and housing providers has and will continue to increase. It is appropriate for Council to instruct the Housing Department to report back on upgrading the methods that the city uses to verify claims, provide approvals, and grant requests. Improving the City's system benefits everyone from renters to housing providers, so that residents stay housed and housing providers can stay in business. In the department's report, recommendations should be varied, such as allowing grace periods after deadlines have been passed, or allowing for re-application of a request post-deadline via a fee or some other method rather than starting from step one.

The LAHD should be directed to report back with recommendations to improve the Cost Recovery programs, so that Council can know what and how to implement improvements. The goal of this initiative is to improve existing systems within the Housing Department, in order to gain more compliance from housing providers and help ensure habitable conditions for tenants. Improving these elements both modernize and bring efficiency to these required systems used by housing providers, but felt by renters. The city should maximize tools such as AI which could improve efficiency, add transparency, and improve the City's turnaround-response time and overall process for all cases.

I THEREFORE MOVE that the Los Angeles Housing Department, report to Council in 90 days with recommendations to improve the administration of Cost Recovery programs, including but not limited to elements outlined in the body of this motion, and:

NOV 05 2025

- Adjustments to compliance requirements, such as the extension of current time limits required in ordinance by providing grace periods, and the implementation of stronger fee recovery components should an applicant surpass the required time limit requirements
- Modernization of city portals and communication methods, such as realtime application status, email confirmation after payments or required documentation submittals, and improved notification of requirements.
- A focus on the current Housing Department Case Management System, with recommendations on the use of technological advancements including AI and other tools in order to support staff efficiency and transparency

HOUSING & HOMELESSNESS

The City of Los Angeles' Rent Stabilization Ordinance (LARSO) was designed to protect tenants from excessive rent increases while allowing landlords a reasonable return on their investments. Under the LARSO, there are two types of increases: the annual rent increase and increases for additional tenants, and increases that require departmental approval, such as capital improvements, seismic work and rehabilitation, and Just and Reasonable (J & R) rent increases. The Just & Reasonable Program is a mechanism to obtain a fair return on the landlord's investment in rental property. It compares the Net Income from the first year for which records are available with the Net Income in the current year. If the business is currently unprofitable compared with its first year of operation, a permanent rent increase adjusted for inflation may be permitted to be added to the rent to improve the property's profitability and permit a fair return on the owner's investment through federal, state, and local policies.

Under the United States and California Constitutions, investors, including investors in residential rental property, are entitled to "a fair and reasonable return on their investment." In the context of controls on residential rentals, the Courts have determined that a government regulation does not prevent a fair and reasonable return so long as the regulation itself does not prevent the owner-investor from collecting an amount of rent sufficient to cover the owner's costs of operation, the servicing of reasonable financing, and at least some profit.

Presently, under existing LARSO regulations, only a minimal amount of landlords petition to use the J & R program. This may be due to sufficient profit margins, but anecdotally, landlords have shared that the application process is confusing, cumbersome, inefficient and often delayed. With a forthcoming change in the LARSO annual rent increase formula, the City should ensure that existing relief programs like J & R are being maximized.

I THEREFORE MOVE that the City Council instruct the Los Angeles Housing Department to report back within 15 days on fair return petition procedures from other jurisdictions including the cities of Pasadena, Cudahy, and Alameda, and Los Angeles County that are less burdensome on landlords than the City of Los Angeles' current program, including due to a more streamlined application process, appropriate program guidelines, greater responsiveness from city staff, and efficient program management and data synthesis.

I FURTHER MOVE that the City Council instruct the Los Angeles Housing Department to report back within 15 days to work with the Rent Adjustment Commission (RAC) to update the existing Rent Adjustment Commission Guidelines governing the Just and Reasonable Rent Increase Program based on best practices from other jurisdictions and conduct an outreach campaign to inform landlords on how to utilize the program and other cost reimbursement provisions of the RSO in order to ensure a fair return on their rental units, and to create a new position authority through the Measure ULA Staffing Plan in the Regulatory Code and Compliance Bureau to administer this work program.

PLANNING & LAND USE MANAGEMENT

MOTION

The property located at 2618 W. Martin Luther King, Jr. Boulevard, Los Angeles, CA 90008, has been the subject of many complaints to the Department of Building and Safety (LADBS) in past years, some of which have resulted in Orders to Comply. LADBS issued two Orders to Comply, effective October 7, 2018 and November 14, 2019 respectively, for code violations relating to: construction work done without permits and approvals; failure to comply with a valid department order; unapproved use of the motorhome/RV Storage as accessory use in the Commercial (C2) Zone; and graffiti on exterior walls of the front building. Subsequently, another Order to Comply, effective December 29, 2021, was issued by LADBS for code violations relating to: work done without permits; rubbish, garbage, trash and debris on the premises; open storage of inoperable vehicle; excessive or overgrown vegetation on the premises; and graffiti on the exterior walls of both buildings. Finally, an Abate Order, effective December 24, 2023, was issued by LADBS, as the building or premises are substandard due to inadequate sanitation caused by general dilapidation or improper maintenance.

This situation needs to be corrected immediately through the City's land use regulatory controls; therefore, the necessary nuisance abatement investigation(s) need to be initiated by the Planning Department, with the assistance of the Department of Building and Safety and Police Department, and in consultation with the City Attorney.

Los Angeles Municipal Code (LAMC) Section 12.27.1, *Administrative Nuisance Abatement Proceedings*, allows the Director of Planning to modify, discontinue, or revoke any use that has resulted in repeated nuisance activities including, but not limited to, disturbances of the peace, illegal drug activity, public drunkenness, drinking in public, harassment of passersby, gambling, prostitution, sale of stolen goods, public urination, theft, assaults, batteries, acts of vandalism, loitering, excessive littering, illegal parking, excessive loud noises (especially in the late night or early morning hours), traffic violations, curfew violations, lewd conduct, or police detentions and arrests; or adversely impacts nearby uses.

It is through the City's land use regulatory controls that community members are protected through the maintenance of the public peace, health, and safety of persons living or working in communities and neighborhoods Citywide. Therefore, it is imperative to address these detrimental quality of life activities, and take corrective action as soon as possible, and thereby prevent escalation and drain of City enforcement resources.

I THEREFORE MOVE that the Council instruct the Planning Department, with the assistance of the Department of Building and Safety and Police Department, and in consultation with the City Attorney, to investigate any matters of reported nuisance activities occurring onsite at the property located at 2618 W. Martin Luther King, Jr. Boulevard, Los Angeles, CA 90008; and thereafter, the Zoning Administrator may initiate Administrative Nuisance Abatement Proceedings per LAMC Section 12.27.1; Chapter 1A Section 13B.6.2; and prepare the necessary reports and recommendations, conduct the required public hearings, and thereby protect the public peace, health, and safety of the community by imposing corrective conditions to address the reported nuisance activities that are occurring onsite at the property.

PUBLIC WORKS

MOTION

The San Fernando Valley Japanese American Community Center has served as a cultural cornerstone, intergenerational gathering space, and historic symbol of resilience for more than seven decades in the Pacoima community. Established in 1951 by Japanese American families returning from World War II incarceration camps, the Center stands as a testament to the perseverance, sacrifice, and community-building efforts of the Issei and Nisei pioneers who rebuilt their lives in the Northeast San Fernando Valley.

Following their forced removal during World War II, Japanese American families returned to the San Fernando Valley with limited resources. They lived in temporary housing, worked long hours, and collectively raised $150,000 to support the creation of a permanent community home. In 1953, the founding members purchased the property on Branford Street, and on December 12, 1959, they dedicated the completed Center, which was built through both financial sacrifice and physical labor from community members.

Over the decades, the Center has expanded to include classrooms, a gym, the Nikkei Pioneer Hall, and active community programming that serves seniors, youth, athletes, artists, and families. The Center hosts cultural events, sports leagues, music and dance classes, volunteer programs, and the annual Kohaku Judo Tournament. It is also known for its leadership in collective philanthropy, exemplified in 2011 when members, particularly its youth, helped raise $110,000 to support survivors of the Japan earthquake and tsunami.

Today, the San Fernando Valley Japanese American Community Center operates to preserve Japanese culture, promote the Japanese American experience, and provide a place for cultural exchange, education, celebration, and community pride in Pacoima and beyond.

In recognition of the historic contributions of the SFV-JACC and the Japanese-American legacy in the San Fernando Valley, it is deserving and long overdue that the intersection of Branford Street and Remick Avenue be named "Japanese American Community Center Square."

I THEREFORE MOVE that the intersection at Branford Street and Remick Avenue be named as **Japanese American Community Center Square** and that the Department of Transportation be directed to erect permanent ceremonial signs to this effect at this location.

PUBLIC SAFETY

MOTION

I MOVE that the Council request the City Attorney to draft an ordinance that allows defined members of the media to access defined areas of a protest that are closed to the public; expands the definition of a journalist to recognize new forms of media that may not be a "duly authorized representative" of a formal news organization; and that establishes penalties for people who gain access to a restricted area by claiming press privileges and then engage in protest activities.

I MOVE that the Council request the City Attorney, with the assistance of the Police Department, to draft an ordinance that establishes the substantive limitations on LAPD use of non-lethal force included in the BLM preliminary injunction, or otherwise create a policy that ensures that those restrictions remain in place unless modified by the Council and Mayor.

PUBLIC SAFETY

MOTION

In June 2025, the Los Angeles Press Club and Status Coup filed a federal lawsuit against the Los Angeles Police Department (LAPD), citing multiple instances where officers fired less-lethal projectiles at journalists covering the protests. Soon after, Judge Hernan D. Vera issued a Temporary Restraining Order barring LAPD from targeting journalists with projectiles or excluding them from protest areas closed to the public while they are gathering information. This ruling emphasizes the role that the press serves as the eyes and ears of the public, enabling Angelenos to participate as informed residents and exercise democratic freedoms.

Under SB 98, no specific press credential is required by law, and current LAPD and Los Angeles County Sheriff's Department policy reflects this principle. LAPD's Media Guidelines clarify that identification such as press badges or IDs are "optional tools," and when status cannot be immediately confirmed, officers should consult the LAPD Media Team or a Public Information Officer. But in certain instances, such as when officers are enforcing a scrimmage line, this identification process can take up to an hour.

The procedural ambiguity of Press identification in California has resulted in constitutional violations, costly settlements, and federal court intervention. Clarifying and standardizing guidelines for press identification not only upholds constitutional rights, but it also is an urgent matter of fiscal responsibility. By reducing obscurity, the City can prevent repeated violations, limit costly lawsuits, and safeguard taxpayer dollars.

I MOVE the Los Angeles Police Department (LAPD) to create a public campaign proposal to promote how Press can obtain an LAPD press badge. This proposal should include potential funding sources within LAPD's budget.

I FURTHER MOVE LAPD, LA Civil Rights Department (LACR) and the Human Relations Commission, Chief Legislative Analyst (CLA), and City Administrative Officer (CAO) be instructed to create a Memorandum of Understanding between LAPD, Press Club, and the Radio & Television News Association of Southern California to create an agreement of conduct at 1st Amendment demonstrations.

I FURTHER MOVE LAPD, LACR, and the Human Relations Commission to present Recommendations on improvements that could be made to LAPD's Press Badge design, in order for Officers to more easily identify Press. As well as recommend training opportunities that LAPD can host for Press, utilizing LAPD's Revolving Training Fund budget

I FURTHER MOVE the City Attorney and CLA to create Accountability mechanisms and recourse for LAPD Media Guideline violations committed by government agencies.

I FURTHER MOVE CLA, City Attorney, and CAO to report on the feasibility of assigning press designation and identification responsibilities to entities other than LAPD, including government agencies such as the Mayor's Office, City Administrative Officer, LACR's Human Relations Commission, City Attorney, or independent and neutral third party observers such as the National Lawyers Guild, in order to ensure consistent and fair recognition of the press.

RULES, ELECTIONS, INTERGOVERNMENTAL RELATIONS

RESOLUTION

WHEREAS, any official position of the City of Los Angeles with respect to legislation, rules, regulations or policies proposed to or pending before a local, state or federal governmental body or agency must have first been adopted in the form of a Resolution by the City Council; and

WHEREAS, the Rim of the Valley Corridor is a network of parks and trails connecting the Santa Monica Mountains to all the mountains surrounding the San Fernando, Simi, Conejo, and La Crescenta Valleys; and

WHEREAS, in 2018 the Rim of the Valley Corridor Study Act directed the National Park Service to conduct a special resource study of the Rim of the Valley Corridor to determine the suitability and feasibility of designating all or a portion of the Rim of the Valley Corridor as a unit of the Santa Monica Mountains National Recreation Area and how these areas could be better managed and preserved; and

WHEREAS, the study was conducted from 2010 to 2016 which concluded that expansion of the Santa Monica Mountains National Recreation Area to include the Rim of the Valley Corridor would increase opportunities for public enjoyment and protect significant natural resources; and

WHEREAS, currently pending in Congress is H.R. 3874 (Friedman)/S. 1870 (Schiff), the Rim of the Valley Corridor Preservation Act, which would adjust the boundary of the Santa Monica Mountains National Recreation Area to include the Rim of the Valley Corridor; and

WHEREAS, the bill would add more than 118,000 acres to the Santa Monica Mountains National Recreation Area and grant the National Park Service the authority to improve access, study wildlife, and coordinate conservation efforts; and

WHEREAS, the Rim of the Valley Corridor Preservation Act was first introduced in 2017 by Senator Schiff and the late Senator Feinstein;

NOW, THEREFORE, BE IT RESOLVED, that by the adoption of this Resolution, the City of Los Angeles hereby includes in its 2025-2026 Federal Legislative Program SUPPORT for H.R. 3874 (Friedman)/S. 1870 (Schiff), the Rim of the Valley Corridor Preservation Act, which would adjust the boundary of the Santa Monica Mountains National Recreation Area to include the Rim of the Valley Corridor.
