ENERGY AND ENVIRONMENT COMMITTEE REPORT relative to an assessment of the lithium-ion battery and vape pen disposal and recycling program.

Recommendations for Council action, pursuant to Motion (Hutt - Nazarian):

1. INSTRUCT the Bureau of Sanitation (BOS) to report on the status and provide an assessment of the lithium-ion battery and vape pen disposal and recycling program with the intent of keeping them from being improperly disposed in collection vehicles or processing facilities in order to protect sanitation workers and ensure public safety.
2. INSTRUCT the BOS to report on an expanded citywide public awareness campaign including the protocols of proper battery disposal; the number of incidents citywide related to truck fires due to improper battery and vape pen disposal; the accessible drop off points for the proper recycling or disposal citywide by Council Districts; and a budget estimate to properly implement and expand the disposal and recycling program.

HOUSING AND HOMELESSNESS COMMITTEE REPORT relative to Seasonal Winter Shelter Program bed rate adjustment.

Recommendations for Council action:

1. DELETE Recommendation No. 1 contained in the City Administrative Officer (CAO) report dated November 25, 2025, attached to the Council file.
2. DIRECT the CAO in maintain the daily bed rate for Seasonal Weather Shelter Program.
3. DIRECT the CAO to report on increasing the All Weather Shelter Voucher Program.
4. DIRECT the CAO to engage with the Los Angeles County to establish a County-run All Weather Shelter Program, with funding support from the City.

Fiscal Impact Statement: The CAO reports that approval of the recommendations in its report will not have an immediate impact on the General Fund as funding recommendations will be provided through the annual budget process. However, should the proposed increases be adopted this fiscal year, there would be a decrease in services.

Financial Policies Statement: The CAO reports that approval of the recommendations contained in its report complies with the City's Financial Policies as there is no General Fund associated with the action at this time.

AD HOC COMMITTEE ON UNARMED CRISIS PREVENTION, INTERVENTION, AND COMMUNITY SERVICES REPORT and TRANSPORTATION COMMITTEE REPORT relative to self-enforcing infrastructure and Mobility Plan 2035 for the Traffic Enforcement Alternatives Project.

A. AD HOC COMMITTEE ON UNARMED CRISIS PREVENTION, INTERVENTION, AND COMMUNITY SERVICES

Recommendations for Council action:

1. REQUEST the Board of Police Commissioners (BOPC) to amend Los Angeles Police Department (LAPD) Department Manual Section 1/240.06, entitled Policy – Limitation on Use of Pretextual Stops, to replace the existing limitation policy with strengthened guidance and additional prohibitions to ensure fair treatment and efficient deployment of resources. The updated policy should include the following:
 - a. Prohibit all pretextual stops and detentions that result from pretextual stops of motorists and cyclists, except in cases where the violation poses a significant and imminent safety risk.
 - b. Prohibit consent-based searches of persons, vehicles, or personal effects during pretextual traffic stops. This prohibition does not apply to searches supported by a valid warrant, probable cause, or other lawful justifications independent of consent.
 - c. Ensure compliance with California Assembly Bill (AB) 2773 by requiring officers to clearly articulate the reason for the stop on Body-Worn Video (BWV) before commencing any questioning. Officers should thoroughly record, both visibly and audibly, any reasonable suspicion that develops after the initial stop.

- d. Ensure proper compliance and the implementation of AB 2147 (2022) to prevent racial bias in stops of pedestrians.
 - e. Report back, with the assistance of the City Attorney, on the process and the necessary steps to implement a mail-based notification system that would allow certain traffic violations, allowing vehicle owners to receive violations by mail in lieu of an officer-initiated stop. Under this framework, the vehicle owner would still be responsible for correcting or otherwise remedying the violation. The report should outline any moving, equipment, and non-moving violations eligible for mail-in enforcement.
 - f. Affirm LAPD's authority to conduct stops for traffic violations that endanger public safety and for reasonable and articulable suspicion of crimes.
- 2. REQUEST the Office of Inspector General to monitor LAPD Traffic Stop Data, incorporating findings from the Audit Division's quarterly AB 2773 compliance audits and the Stops Review Pilot Program, and provide semi-annual reports to the Council on the effectuation of this policy, including analyzing the feasibility of updating LAPD's public traffic dashboard to distinctly track and display pretextual stop data.
 - 3. NOTE and FILE reports from the Chief Legislative Analyst (CLA), BOPC, and Los Angeles Department of Transportation (LADOT) attached to this Council File.

B. TRANSPORTATION COMMITTEE

SUBMITS WITHOUT RECOMMENDATION the following recommendations:

- 1. REQUEST the Board of Police Commissioners (BOPC) to amend Los Angeles Police Department (LAPD) Department Manual Section 1/240.06, entitled Policy –

Limitation on Use of Pretextual Stops, to replace the existing limitation policy with strengthened guidance and additional prohibitions to ensure fair treatment and efficient deployment of resources. The updated policy should include the following:

COMMUNICATION FROM THE CHAIR, PERSONNEL AND HIRING COMMITTEE relative to proposed Resolution Authorities in connection with the Glendale-Hyperion Bridge Improvement Project.

Recommendation for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

APPROVE the following five full-time Resolution Authority positions for the period January 1, 2026, through June 30, 2026, subject to allocation by the Personnel Department and pay grade determination by the City Administrative Officer, to provide construction management services on the Glendale-Hyperion Bridge Improvement Project as detailed in the April 3, 2026 Street Transportation Projects Oversight Committee (STPOC) report, attached to the Council File:

- a. One Senior Civil Engineer (Class Code 9485)
- b. Two Civil Engineers (Class Code 7237)
- c. One Senior Management Analyst I (Class Code 9171-1)
- d. One Civil Engineering Associate III (Class Code 7246-3)

Fiscal Impact Statement: The STPOC reports that there is no impact on the General Fund. Funding the five positions for four months will cost \$340,852 (\$205,345 in direct costs and \$135,507 in indirect costs). The 2025-26 Adopted Budget allocated \$30 million from the Road Maintenance and Rehabilitation (SB1) Fund to the Capital Technology Improvement Expenditure Program (CTIEP) for salaries and construction costs. This allocation provides the local match and front-funding for both the Federal Highway Bridge Program Grant and the State Proposition 1B Local Bridge Seismic Retrofit Program Grant. The Federal grant will reimburse up to 88.53% (\$119,964) of the indirect costs, and the City will absorb the remaining \$15,543 as SB1 does not pay for indirect costs.

COMMUNICATION FROM THE CHAIR, PERSONNEL AND HIRING COMMITTEE relative to proposed Amendment No. 2 to the 2023-2028 Memorandum of Understanding Clerical and Support Service Unit (MOU 03) to resolve scheduling and related compensation affecting Port Dispatchers.

Recommendations for Council action:

1. APPROVE Amendment No. 02 to the 2023-2028 MOU 03 to resolve scheduling and related compensation affecting Port Dispatchers.
2. AUTHORIZE the Controller and the City Administrative Officer (CAO) to correct any clerical errors in Amendment No. 02, or make necessary technical corrections subsequent to City Council approval.

Fiscal Impact Statement: The CAO reports that the implementation of this MOU amendment will not have a fiscal impact on the General Fund. The Harbor Department is responsible for funding the provisions of this proposed amendment.

(8) **26-0448**

COMMUNICATION FROM THE CHAIR, PERSONNEL AND HIRING COMMITTEE relative to approval of the Memorandum of Understanding (MOU) for the Load Dispatchers Unit (MOU 44) Represented by the Los Angeles Water and Power Dispatchers Association, for the Contract term of January 1, 2026 through September 30, 2030.

Recommendations for Council action:

1. CONCUR and APPROVE with the February 24, 2026 Board of Water and Power Commissioners' (Board) action approving the MOU for the Load Dispatchers Unit (MOU 44) represented by the Los Angeles Water and Power Dispatchers Association, for the Contract term of January 1, 2026 through September 30, 2030.
2. AUTHORIZE the Los Angeles Department of Water and Power (LADWP) to correct any clerical errors or make necessary technical corrections subsequent to City Council approval.

Fiscal Impact Statement: The Board reports that the estimated average year over year financial impact associated with the proposed contract ranges from approximately \$4.2 million to \$6.3 million. Assumptions are based on Cost-of-Living Adjustments (COLA) floor of 2.5 percent (2.5%) and ceiling of 5.5percent (5.5%), which are based on Consumer Price Index (CPI), salary adjustments, and other identified miscellaneous new MOU provisions.

The City Administrative Officer reports that the proposed agreements with MOU 44 will not impact the City's General Fund. All costs associated with MOU 44 will be borne solely by the LADWP. The LADWP estimates that the fiscal impact of MOU 44 will be \$1.1 million over the term of the contract.

MOTION

On April 21, 2026, the City Council approved Motion (Rodriguez – Hernandez) relative to amending previous Council action authorizing the use of \$4,896,486, plus earned interest, in taxable and tax-exempt CRA/LA Excess Non-Housing Bond Proceeds (EBP) available to Council District (CD) 7 from the Pacoima/Panorama City Redevelopment Project Area for the Pacoima Lifestyle Center Project by reducing the approved amount by \$245,853.82 and reprogramming these funds to the Van Nuys Boulevard Corridor JEDI Zones Façade Improvement Program (C.F. 14- 1174-S97). This Motion seeks to expedite Council approval of the Project by authorizing the use of \$235,034 in taxable and tax-exempt CRA/LA Excess Non-Housing Bond Proceeds (EBP), plus earned interest, through direct Council action to ensure timely implementation and full expenditure of the available bond proceeds.

I THEREFORE MOVE that the City Council, subject to approval of the Mayor as required:

1. DETERMINE that the action of allocating and withholding expenditure of funds for the Van Nuys Boulevard JEDI Zone Façade Improvement Project (Project) pending the completion, review and consideration of planning and environmental documents related to Project is not a project pursuant to California Environmental Quality Act (CEQA) Guidelines Section 15378(b)(4) because it merely creates a funding mechanism or other governmental fiscal activity that does not commit the City to a project that may result in a potentially significant impact on the environment, and that preparing preliminary planning and environmental documents is not a project pursuant to CEQA Guidelines Section 15378(b)(5) because it is an administrative activity that will not result in physical changes in the environment;
2. APPROVE up to \$6,985 in tax-exempt CRA/LA Excess Non-Housing Bond Proceeds (EBP) plus all remaining taxable and tax-exempt interest earnings (\$228,049 as of June 30, 2025) available to Council District (CD) 7 from the Pacoima/Panorama City Redevelopment Project Area (Project Area) for Project;
3. AUTHORIZE the Controller, subject to the requirements below and availability of funds and duly executed and encumbered Contract(s), to expend up to the amount of Interest from the EBP Fund No. 57D, Account No 22S9MT Pacoima/Panorama City Taxable Series 2003-A and 2006-B, and up to \$6,985 plus Interest from the EBP Fund No. 57D, Account Nos. 22L9MN and 22S9MN Pacoima/Panorama City Tax-Exempt Series 2006-C and 2009-D, for activities related to Project upon presentation of proper documentation and satisfactory review by EWDD in accordance with the terms and conditions of the Bond Expenditure Agreement (BEA);
4. AUTHORIZE the Economic and Workforce Development Department (EWDD) to implement activities related to the Project and to perform limited preliminary planning as may be necessary to conduct the environmental review for Project;
5. DIRECT EWDD to withhold expending, or committing to expend, any of the remainder of the above-noted funds allocated to Project until all of the following have occurred:
 - a. It has completed the preliminary planning documents and environmental review documents on its behalf; and
 - b. The City has complied with the requirements of CEQA with respect to Project, including obtaining any necessary CEQA clearances;
6. AUTHORIZE the General Manager of EWDD, or designee, to prepare and issue a Request for Bids (RFB) from the established bench list of consultants to select expediter services for eligible JEDI Zone projects;
7. AUTHORIZE EWDD to approve, negotiate and execute contracting documents (Contract) as required with duly procured contractor(s) (Contractor) to effectuate Project and prevailing wage requirements;
8. DIRECT EWDD to file the appropriate CEQA documentation with the Los Angeles County Clerk, if required, upon City Council approval;
9. DIRECT EWDD to report on its work accomplishments to the City Administrative Officer and to fund expenditures on a quarterly and as-needed basis;
10. AUTHORIZE the General Manager of EWDD, or designee, to prepare Controller instructions and/or make technical adjustments that may be required and are consistent with this action, subject to the approval of the CAO, and authorize the Controller to implement these instructions.

California Governor's Office of Emergency Services (Cal OES) Family Justice Center Program established the Family Justice Center 2025 Grant to provide supplemental funding for multidisciplinary services supporting victims of domestic violence, sexual assault, elder abuse and human trafficking. The Mayor's Office of Public Safety has applied for \$312,500 in grant funding, which includes \$206,000 to sustain specialized legal services for victims of interpersonal violence provided by the nonprofit Peace Over Violence. No matching funds are required. Before they can process the award, Cal OES requires a formal governing body resolution. A further delay in funding risks disrupting the life-saving services Peace Over Violence provides.

I THEREFORE MOVE that the Mayor's Office of Public Safety be authorized to apply for the Family Justice Center 2025 Grant provided by the California Governor's Office of Emergency Services, and that the attached Governing Body Resolution be adopted.

MOTION

Frequent rubbish and vegetation fires within the California Department of Transportation's (Caltrans) right-of-way have become a sustained and serious issue in the City of Los Angeles, with recurring incidents occurring in restricted, confined infrastructure and freeway-adjacent areas that are not intended for public access. These events present an immediate risk to public safety, critical infrastructure, and surrounding communities, while placing a growing fiscal burden on the City of Los Angeles. The Los Angeles Fire Department is repeatedly required to respond to fires within State-controlled right-of-way areas, diverting limited emergency resources, driving overtime costs, and further straining already impacted public safety services.

The latest incident, a fire within an access portal directly under the Interstate 110 in the Wilmington and San Pedro area, prompted a complete freeway closure and brought a range of concerns into sharp focus, from potential structural compromise to traffic management challenges, as well as the coordination and delivery of timely public safety notifications. This event highlights the urgency of the issue and the City's growing exposure to financial liability and service disruptions resulting from Caltrans' failure to adequately secure, monitor, and maintain its assets.

As reflected in Council File 26-0674, the City has acted diligently to coordinate across agencies and respond to emerging safety risks, even where jurisdiction lies with Caltrans and other entities. However, the frequency of these incidents and the mounting cost to City resources necessitate a focused evaluation of cost recovery options and a clearer accounting of the scale of emergency responses occurring within Caltrans' right-of-way.

I THEREFORE MOVE that the City Council direct the City Administrative Officer (CAO) and the Los Angeles Fire Department (LAFD), and any other relevant departments, in coordination with the California Department of Transportation (Caltrans) and the California Department of Forestry and Fire Protection (CAL FIRE), to report with an analysis on the total number and frequency of LAFD responses to rubbish and vegetation fires over the past three years and the current Fiscal Year 2025-2026, and the number and percentage of those fires that occur within the Caltrans right-of-way.

I FURTHER MOVE that the City Council direct the CAO and the Chief Legislative Analyst (CLA), in coordination with the Office of the City Attorney and LAFD, to report on:

- The estimated costs associated for the City with these Caltrans right-of-way responses, including personnel costs for the last three years and the current Fiscal Year 2025-2026;
- The feasibility, legal authority, and process required for the City to seek reimbursement or cost recovery from CAL FIRE, Caltrans, or other responsible State entity; and

MAY 6 2026

- Any existing agreements, policies, or precedents related to interagency cost-sharing or reimbursement for fire response services in State-controlled infrastructure areas, and whether these frameworks can be revisited or renegotiated to achieve cost savings.

I FURTHER MOVE that the City Council request that Caltrans report on whether it maintains or participates in encampment resolution programs within its right-of-way, including coordination with local jurisdictions. This report should detail current policies, protocols, and resources dedicated to services, shelter, housing, and the success or failure of such efforts.

MOTION

The 2025 Annual Homeless Count reported 7,174 family members experiencing homelessness in the City of Los Angeles, of which, 4,027 of those are minors. The A Bridge Home (ABH) site located at 3061 Riverside Drive in Council District 4 provides 26 units to families, and previously counted towards the City's Roadmap Agreement. The ABH site opened on April 16, 2021, and is operated by People Assisting the Homeless (PATH). While the goal is to find permanent housing for all homeless residents, ABH sites are designed to be "no-barrier" shelters that provide a wide range of critical services that address the immediate needs of families experiencing homelessness, including case management, housing navigation, mental health services, and life skills. The City currently holds a lease agreement with L&R Construction, Inc. for the site, which expired on April 14, 2026, and is currently in holdover.

Therefore, I MOVE that the City Council:

1. Determine the funding allocation, lease, and continued use for a period of up to three years for the Bridge Housing (ABH)/Low Barrier Navigation Center at 3061 W. Riverside Drive for those experiencing homelessness, are statutorily exempt from CEQA under PRC Section 21080.27.5, applicable to low barrier navigation centers; and Government Code Section 8698.4(a)(4) governing homeless shelter projects under a shelter crisis declaration;
2. AUTHORIZE the General Services Department (GSD) to execute a new, or amend the existing, lease agreement with L&R Construction, Inc. for the ABH site located at 3061 Riverside Drive in Council District 4 with 26 units for up to three years;
3. AUTHORIZE the GSD to execute a new, or amend the existing, lease agreement with PATH for the ABH site located at 3061 Riverside Drive in Council District 4 with 26 units for up to three years.
