RESOLUTION

WHEREAS, on October 28, 2025, the Council adopted an Interim Control Ordinance (ICO), Ordinance No. 188753 (Council File No. 25-0843), which became effective on October 31, 2025 to temporarily prohibit citywide the issuance of any demolition, building, grading, and any other applicable permit related to the approval of a Recreational Vehicle (RV) Park as a Public Benefit Project pursuant to LAMC Section 14.00(A)(7); and

WHEREAS, on December 12, 2025, the Council extended the ICO No. 188753, imposing temporary interim regulations prohibition regarding the issuance of any demolition, building, grading, and any other applicable permits related to the approval of a RV Park as a Public Benefit Project, for an extension period of 10 months and 15 days, inasmuch as a report was filed by the Planning Department pursuant to Government Code Section 65858(d), and Council adopted the report as its own describing the measures that have been taken thus far toward the adoption of permanent land use regulatory controls; and

WHEREAS, the Council may by Resolution, **extend the provisions of this ordinance for an additional extension period of 1 year** so long as the Council makes required findings; and the ICO is necessary to protect the health, safety and welfare of residents, surrounding stakeholders and residential neighborhoods and the Department of City Planning has begun work on proposed amendments to the Zoning Code regarding the controlling land use regulations for Recreational Vehicle Parks; this ICO is intended to temporarily pause the issuance of any ministerial approvals while the proposed amendments are being prepared; and

WHEREAS, the amendments are intended to clarify and maintain consistency between provisions of the Zoning Code, Fire Code and State of California Building Code; however, more time is necessary to conduct this work, **as such an extension of Ordinance No. 188753 for 1 year is necessary**; and

WHEREAS, the Council finds there is a current and immediate threat to the public safety, health and welfare and the approval of permits related the issuance of any demolition, building, grading, and any other applicable permit related to the approval of a RV Park as a Public Benefit Project pursuant to LAMC Section 14.00(A)(7); and

WHEREAS, on August 26, 2026, a report was filed by the Planning Department pursuant to Government Code Section 65858(d) and that Council had adopted the report as its own describing the measures that have been taken thus far towards the adoption of land use regulatory controls, and Interim Control Ordinance No. 188753 will expire on **October 30, 2026** unless this **second and final 1 year extension** is adopted;

NOW, THEREFORE, BE IT RESOLVED, that by the adoption of this Resolution, the Council hereby extends the provisions of Ordinance No. 188753 imposing a temporary citywide prohibition on the issuance of any demolition, building, grading, and any other applicable permit related to the approval of a RV Park as a Public Benefit Project pursuant to LAMC Section 14.00(A)(7); **for a second and last extension period of 1 year**, inasmuch as the appropriate City agencies and officials are exercising due diligence and actively working towards the adoption of the appropriate permanent land use regulatory controls.

MOTION

The Los Angeles City Charter is the foundation of how our City government works. It defines the powers and responsibilities of the Mayor, City Council, departments, boards and commissions, and establishes the systems through which the City makes decisions and delivers services to Angelenos.

Los Angeles has undertaken comprehensive Charter reform at important moments in the City's history. Following the political abuses of the Frank Shaw era, Charter changes sought to strengthen the civil service and protect City government from political interference. Decades later, concerns about accountability, executive authority, administrative management, representation, and the relationship between City Hall and its communities contributed to another comprehensive reform effort. The secession movement in the San Fernando Valley and Harbor Area brought those questions into sharper focus and helped drive the Charter reform process that culminated in voter approval of a new City Charter in 1999. That Charter changed the organization of City government, strengthened management and auditing functions, and created new mechanisms for neighborhood participation.

The issues that prompted that reform have not disappeared. Los Angeles continues to confront questions about how authority is allocated, how decisions are made and implemented, how elected officials and departments are held accountable, and how communities participate in City government. In 2024, the City again convened a Charter Reform Commission to examine these questions. While certain recommendations advanced for consideration by voters, other matters were deferred, referred for further study, or remained unresolved.

The Council has now established an Ad Hoc Committee on Charter Review to continue that work, and the Committee has an opportunity to build on work already undertaken while identifying issues that have emerged since the last comprehensive review. The Committee should begin by taking stock of what has already been proposed and studied, what remains unresolved, and how those questions fit within the Charter as a whole.

A comprehensive Charter review should begin with the experience of Angelenos and the people who understand how City government works in practice. The Committee should create meaningful opportunities for communities across Los Angeles to identify where the structure and operation of City government can be improved, while drawing on the experience of current and former City officials, labor and civic organizations, academics, practitioners, and governance experts. The goal is not simply to revise individual provisions, but to strengthen the institutions of City government so they are more effective, accountable, responsive, and prepared to meet the challenges ahead.

I THEREFORE MOVE that the City Clerk and Chief Legislative Analyst (CLA), with the assistance of the City Attorney as appropriate, be instructed to report on the applicable provisions of the Los Angeles City Charter and California Elections Code governing the submission of Charter amendments to the voters, including applicable deadlines and procedures, and to provide a proposed timeline identifying the key dates and milestones necessary for the development, analysis, Council consideration, and submission of potential Charter amendments to the voters.

I FURTHER MOVE that the CLA, with the assistance of the City Clerk and City Attorney, be instructed to prepare and maintain a public-facing matrix for consideration by the Ad Hoc Committee on Charter Review identifying:

- Recommendations and proposals considered by the 2024 Charter Reform Commission that were deferred, identified for further study, or otherwise not finally resolved or placed before the voters;
- Pending Council Files proposing, requesting study of, or otherwise concerning potential amendments to the City Charter;
- Significant Charter-related matters identified for further study or future consideration during prior comprehensive Charter reform efforts, to the extent reasonably identifiable from existing City records;
- Other Charter-related matters previously identified by the Council, City departments, commissions, or other City bodies as warranting consideration as part of a comprehensive Charter review; and
- For each identified matter, its subject area, current status, responsible department or office, prior reports or Council actions, relevant election or procedural considerations, and any relationship to other Charter provisions or proposals under consideration.

I FURTHER MOVE that the Ad Hoc Committee on Charter Review be requested, consistent with applicable Council procedures, to provide meaningful opportunities for residents, constituents and stakeholders across the City to participate, and to solicit testimony and analysis from academics, practitioners, current and former City officials, labor and civic organizations, governance experts, and other subject-matter experts.

I FURTHER MOVE that the CLA, with the assistance of the City Attorney as appropriate, be instructed to prepare for the Ad Hoc Committee on Charter Review's initial meetings a timeline and summary of significant amendments to the City Charter, with particular emphasis on major and recent amendments, identifying the Charter sections affected, the subject matter and purpose of each change, and, where reasonably available, the circumstances or reform effort that led to its adoption. The report should highlight significant changes to the structure, authority, management, and representation of City government and provide a concise historical reference to help inform the Committee's priorities and identify areas warranting further review.

I FURTHER MOVE that the City Administrative Officer (CAO), with the assistance of the City Attorney as appropriate, be requested to assist the Ad Hoc Committee on Charter Review in evaluating potential reforms, including by identifying comparable practices and Charter provisions in other jurisdictions through analyzing their fiscal, labor, and operational implications and interaction with the City Charter. The CAO should advise the Committee throughout the review on potential labor relations implications, including matters that may implicate meet-and-confer obligations, so that such considerations can be identified and addressed at the appropriate stage of the process.

MOTION

On October 14, 2025 City Council approved the amendment to a Municipal Facilities Committee report (Report) and instruction to the General Services Department (GSD) dated June 3, 2025 (C.F. 18-0534-S1) to authorize the development and operation of a visitor information center and public restrooms at 1627 Vine Street known as the Hollywood Walk of Fame Public Amenities Project (Project).

The Economic and Workforce Development Department (EWDD) and the Community Investment for Families Department (CIFD) have merged and become the Community Investment Department (CID). This reorganization has also affected the structure of the proposed Project. The GSD and Los Angeles Department of Transportation (LADOT) will take lead on long-term leasehold management and tenant obligations, while CID will be responsible for use of the CRA/LA Excess Non-Housing Bond Proceeds. In order to clarify these new roles, Amendments to the Report are needed to reflect current operational plans. The changes under the Construction of the Project section are as follows:

"As HPCT is responsible for all costs related to the construction of the Project, the resulting lease agreement shall include Project Development Milestones to ensure the timely completion of the Project. These milestones will be developed collaboratively by the LADOT, ~~Economic and Workforce Development Department (EWDD)~~ Community Investment Department (CID), Department of General Services (GSD), and Hollywood Partnership Community Trust (HPCT). This collaborative approach will help ensure that the Project is advanced in a coordinated manner, reflecting the requirements of all relevant City agencies. The milestones will serve to hold HPCT accountable for diligently pursuing project development and will be incorporated as enforceable conditions of the lease.

~~A Project Manager, to be retained by GSD and paid with bond funds, CID will act as the City's representative to oversee construction, certify milestone completion, approve progress payments, and coordinate with HPCT and City departments to ensure timely and compliant project delivery. This includes but is not limited to: Securing all required permits and approvals, compliance with LADBS Building Codes, Environmental Compliance (CEQA), and Adherence to Project Timelines.~~

~~In addition, the Bureau of Contract Administration (BCA) will require that the project comply with all applicable labor compliance regulations. As part of this process, the selected contractor will be required to participate in an introductory meeting with BCA regarding labor compliance procedures, including requirements related to prevailing wages, certified payroll reporting, and other applicable regulations. Ongoing coordination between BCA and the contractor will be necessary throughout the construction period to ensure compliance. The City's Project Manager will serve as the primary liaison between BCA and the contractor and will be responsible for facilitating communication, monitoring compliance activities, and assisting with resolution of any labor-related issues that may arise during the course of the project.~~ Management of funding for the tenant improvements for the Project is under Council File 14-1174-S40"

The changes under the Funding section are as follows:

"CRA/LA Excess Bond Proceeds - \$1Million

A total of \$1 Million is being funded through the Community Redevelopment Agency of the City of Los Angeles (CRA/LA) Excess Bond Proceeds and will be administered through the ~~General Services Department (GSD)~~ through this proposed lease CID as instructed under Council File 14-1174-S40."

I THEREFORE MOVE the Municipal Facilities Committee Report dated June 3, 2025 (C.F. 18-0534-S1) be AMENDED by removing strikethrough texts and adding underline texts above and where else needed to reflect the Community Investment Department taking the CRA/LA Excess Non-Housing Bond Proceeds project monitoring role for the Hollywood Walk of Fame Public Amenities Project..

I FURTHER MOVE all references to the "Project Manager" in all documents under the above mentioned Council File No. 18-0534-S1 to be replaced with the "Community Investment Department".

MOTION

On June 18, 2025 City Council adopted recommendations contained in the Economic Workforce Development Department (EWDD) report dated May 22, 2025 as an amendment to the CRA/LA Bond Oversight Committee report (Report) dated May 28, 2025 (C.F. 14-1174-S40) relative to the CRA/LA Excess Non-Housing Bond Proceeds (EBP) from the Hollywood Redevelopment Project Area for the Hollywood Walk of Fame Public Amenities Project (Project).

EWDD and the Community Investment for Families Department (CIFD) have merged and become the Community Investment Department (CID). This reorganization has also affected the structure of the proposed project. The Department of General Services (GSD) and Los Angeles Department of Transportation (LADOT) will take lead on long term leasehold management and tenant obligations, while CID will be responsible for use of the EBP. In order to clarify these new roles, Amendments to the Report are needed to reflect current operational plans. The changes under the Report Recommendations section are as follows:

"1. DETERMINE that the Hollywood Walk of Fame Public Amenities Project (Project), consisting of funding allocation, ~~lease and/or other funding agreements,~~ tenant improvements at the existing approximately 2,184-square-foot retail space at the City owned, Los Angeles Department of Transportation (LADOT) operated Vine Street Parking Garage at 1627 N. Vine Street (Property), and operation of a public restroom and visitors"

"3. APPROVE up to \$1,000,000 in tax-exempt CRA/LA Excess Non-Housing Bond Proceeds (EBP) available to Council District (CD) 13 from the Hollywood Redevelopment Project Area (Project Area) to be utilized for the Project consisting of ~~a leasehold and~~ tenant improvements to Property;

4. AUTHORIZE the ~~Department of General Services (GSD)~~ Community Investment Department (CID) to be the lead coordinating and implementing department, as further described below, with the assistance of LADOT and the Board of Public Works, Bureau of Contract Administration (BCA), for activities related to the Project;

5. AUTHORIZE ~~EWDD~~ CID to be the fiscal agent for the EBP, consistent with the Bond Expenditure Agreement (BEA) (C-125212) between the City and CRA/LA and the procedures of the CRA/LA Bond Oversight Committee (BOC);

6. AUTHORIZE GSD, with the assistance of LADOT and BCA, to develop a non-profit zero cost lease agreement (Lease) with the Hollywood Partnership Community Trust (HPCT), to be co-signed by LADOT, and to be submitted to the Municipal Facilities Committee and City Council for approval. The Lease will include terms and conditions for HPCT to occupy the premises as leaseholder and to install and operate specified improvements, including requirements for HPCT to adhere to project milestones for designing the tenant improvements, obtaining all applicable permits, and constructing the improvements. HPCT will submit progress and labor compliance reports and invoices to ~~GSD~~ CID and BCA for review and approval;

"7. Authorize GSD to issue a Request For Bids from the City Administrative Officer (CAO) Prequalified List of contractors to procure a construction manager to oversee construction of the Project;

SEP 1 - 2026

87. AUTHORIZE GSDCID to approve, negotiate and execute contracting documents and/or amendments as required with its duly procured construction manager to effectuate the Project and prevailing wage requirements, with Hollywood Partnership Ventures, doing business as Hollywood Partnership Community Trust, in the amount of \$1,000,000, for three years from contract execution."

~~"109.~~ AUTHORIZE the Controller, subject to the availability of funds, to expend up to \$1,000,000 from the EBP Fund No. 57D, Account No. 22L9FN Hollywood TaxExempt Series 2008-F, for activities related to the Project upon presentation of proper documentation reviewed and approved by GSDCID, and satisfactory review and approval of EWDDCID in accordance with the terms and conditions of the BEA; and

~~110.~~ AUTHORIZE the General Manager of EWDDCID, or designee, to prepare Controller instructions and/or make technical adjustments that may be required and are consistent with this action, subject to the approval of the CAO, and authorize the Controller to implement these instructions."

The changes under the EWDD Analysis section are as follows:

"...These designs will be reviewed and approved by GSD and LADOTCID. GSD will procure a construction manager from the CAO prequalified list to CID will oversee HPCT's construction of the Project."

"...Progress payment invoices submitted by HPCT will be reviewed by GSD's construction manager CID and BCA for labor compliance and must be signed by GSDCID and be accompanied by deliverables and/or activity reports showing percentages of Project completion per the milestones that will be defined in the lease. Approved invoices will be submitted by GSD to EWDD for payment. Disbursements will be authorized pursuant to satisfactory review by EWDDCID to ensure compliance with bond covenants, the BEA, and spending categories outlined in this transmittal. In addition to invoices, HPCT will report on its work accomplishments to the City as GSD specifies in the City-HPCT Lease"

I THEREFORE MOVE that Economic and Workforce Development Department report dated May 28, 2025 (C.F. 14-1174-S40) be AMENDED by removing strikethrough texts and adding underline texts above and where else needed to reflect the Community Investment Department taking the CRA/LA Excess Non-Housing Bond Proceeds project monitoring role for the Hollywood Walk of Fame Public Amenities Project.
