TO CITY CLERK FOR PLACEMENT ON NEXT REGULAR COUNCIL AGENDA TO BE POSTED #60

MOTION

For more than ten years, a committed group of Woodland Hills community members have championed the Reimagine Ventura Boulevard Streetscape Project, which seeks to change the three-block segment of Ventura Boulevard between Royer Avenue and Sale Avenue in Woodland Hills into a neighborhood-scaled Main Street that supports local businesses. Changes include additional parking, enhanced landscaping, and other improvements.

Phase 1 of the project involved the installation of curb ramps, a new traffic signal, street resurfacing, new traffic/pedestrian signals, and a reconfiguration of the street to reduce speeding and to add parking.

The Bureau of Street Services has begun construction of Phase 2, which will make some of the earlier changes permanent, including construction of concrete medians and triangles at the end of rows of angled parking. Phase 2 also includes sidewalk repairs and access ramps for ADA compliance, planting of street and median trees, street furniture, decorative pavers, and more. Construction is expected to take approximately 18 months, and funding is needed for work that will be completed this Fiscal Year, as well as in FY 2026-27. Because Councilmember Blumenfield's service on the City Council is coming to a close, he wants to ensure that the project is fully funded before he leaves office.

I THEREFORE MOVE that $2,546,560 in the Village at Westfield Topanga Public Benefits Trust Fund No. 56Q be transferred / appropriated to a new Account in the Capital and Technology Improvement Expenditure Program Fund No. 100-54, Account No. TBD entitled "Reimagine Ventura Project" for sidewalk repairs and other street improvements associated with the Reimagine Ventura Boulevard Streetscape Project.

I FURTHER MOVE that $1,000,000 in the Council District 3 Real Property Trust Fund No. 685 AND $50,000 in the Council District 3 portion of the Council Discretionary Street Furniture Fund No. 43D, Dept. 50 [TOTAL: $1,050,000] be transferred / appropriated to the below listed Accounts and in the amounts specified in the Street Services Fund No. 100-86 for sidewalk repairs and other street improvements associated with the Reimagine Ventura Boulevard Streetscape Project:

Account No.	Name	Amount
001090	Salaries – Overtime	$ 182,000
001100	Hiring Hall – Salaries	250,000
001120	Hiring Hall – Benefits	210,000

006020	Operating Supplies & Expense	97,000
		=====
	TOTAL	$ 1,050,000

NOV 06 2026

I FURTHER MOVE that the City Administrative Officer and/or Bureau of Street Services be authorized to make any corrections, clarifications or revisions to the above fund transfer instructions, including any new instructions, in order to effectuate the intent of this Motion, and including any corrections and changes to fund or account numbers to ensure the timely completion of the Reimagine Ventura Project; said corrections / clarifications / changes may be made orally, electronically or by any other means.

8a. INSURANCE

A. General Conditions

1. During the Term, and without limiting Contractor's duty of indemnification herein, Contractor shall provide and maintain at its own expense a program of insurance having coverage and limits customarily carried and actually arranged by Contractor but not less than the amounts and types listed on the Required Insurance and Minimum Limits Sheet (Form Gen. 146) in Exhibit B hereto, covering its operations hereunder. Such insurance shall conform to City requirements established by Charter, ordinance or policy, shall comply with instructions set forth in the City's "Instructions And Information On Complying With City Insurance Requirements" (revised 05/18) document, and shall otherwise be in a form acceptable to the Office of the City Administrative Officer, Risk Management. Specifically, such insurance shall: 1) protect City as an Insured or an Additional Interest Party, or a Loss Payee As Its Interest May Appear, respectively, when such status is appropriate and available depending on the nature of applicable coverage; 2) provide City at least thirty (30) days advance written notice of cancellation, material reduction in coverage or reduction in limits when such change is made at option of the insurer; and 3) be primary with respect to City's insurance plan. Except when City is a named insured, Contractor's insurance is not expected to respond to claims that may arise from acts or omissions of the City.

2. The standard City insurance conditions are incorporated into the sample standard subcontract provisions. The specific insurance coverage and limits shall be described by contractor in any request for proposals (RFP) for subcontractor services. These coverage and limits should be tailored to the individual subcontract. For City contracts, Required Insurance and Minimum Limits are set by the City Risk Management staff in the Office of the City Administrative Officer of the City of Los Angeles on the Form Gen. 146. Electronic submission is the preferred method of submitting evidence of insurance documents. KwikComply™ is the City's online insurance compliance system which is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used primarily by insurance brokers and agents as they submit client insurance certificates directly to the City. It uses the standard insurance industry form, the ACORD 25 Certificate of Liability Insurance, in electronic format. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access KwikComply™ at https://kwikcomply.org and follow the instructions to register and submit the appropriate proof of insurance on your behalf. Additional instructions and information on complying with City insurance requirements can be found at http://cao.lacity.org/risk/Submitting_proof_of_Insurance.pdf.

B. Modification of Coverage

City reserves the right at any time during the Term to change the amounts and types of insurance required hereunder by giving Contractor ninety (90) days advance written notice of such change. If such change should result in substantial additional cost to Contractor, City agrees to negotiate additional compensation for Contractor proportional to the increased benefit to City.

C. Failure to Procure Insurance

1. All required insurance must be submitted and approved by the City Administrative Officer/Risk Management/Insurance and Bonds prior to the performance of services, inception of any operations, or tenancy by Contractor. The required coverage and limits are subject to availability on the open market at reasonable cost as determined by City. Non-availability or non-affordability must be documented by a letter from Contractor's insurance broker or agent indicating a good faith effort to place the required insurance, and at a minimum, showing the names of the insurance carriers and the declinations or quotations received from each.

2. Within the foregoing constraints, Contractor's failure to procure or maintain required insurance or a self-insurance program during the Term shall constitute a material breach of this Agreement under which City may immediately suspend or terminate this Agreement or, at its discretion, procure or renew such insurance to protect City's interests and pay any and all premiums in connection therewith and recover all monies so paid from Contractor.

D. Workers' Compensation

1. By signing this Agreement, Contractor hereby certifies that it is aware of the provisions of §3700 et seq., of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all such times as they may apply during the performance of the work pursuant to this Agreement.

2. A waiver of subrogation in favor of City will be required when work is performed on City premises under hazardous conditions.

If this Agreement contains a consideration in excess of $1,000 or more, the Equal Opportunity practices provisions of this Agreement shall be the mandatory contract provisions set forth in Los Angeles Administrative Code §10.8.3, in which event said provisions are incorporated herein by this reference. If this Agreement contains a consideration of $25,000 or more, the Affirmative Action Program of this Agreement shall be the mandatory contract provisions set forth in Los Angeles Administrative Code §10.8.4, in which event said provisions are incorporated herein by this reference. b. Client information (personal information that identifies a client, such as name and social security number) and/or demographic information of a client (such as wage history, address, and previous employment) shall not be used as a basis for commercial solicitation during the time the client or agency is using the subcontractor's services. Client information and/or demographic information shall not be used for any purposes other than those specific program purposes set forth in the subcontract.

c. A One-Stop client must still be given the option to use the One-Stop's services, including CalJobs, even if he or she chooses not to use any services of the subcontractor. This option shall be prominently, clearly, and immediately communicated to the client upon registration within the One-Stop or for CalJobs, the subcontractor's resume-distribution services, or any other services subcontractor offers to the client or the One-Stop operator.

d. The subcontractor must clearly disclose all of its potential and intended uses of the client's personal and/or demographic information for the services the client seeks and for any other services the subcontractor offers. The subcontractor shall not use a client's personal and/or demographic information without the client's prior permission. A link to the subcontractor's privacy policy shall appear prominently on the registration screens that list the potential and intended uses of the client's personal and/or demographic information.

e. When the Grantor modifies State automated systems such as the State CalJobs System, it shall provide reasonable notice of such changes to the City. The City shall be responsible to communicate such changes to the One-stop Operator(s) in the local area.

13 Each party shall designate an employee who shall be responsible for overall security and confidentiality of its data and information systems and, each party shall notify the other of any changes in that designation. In no event shall said information be disclosed to any individual outside of that third party's authorized staff, subcontractor(s), service providers, or employees.

8k. SECURITY CLEARANCE AND TUBERCULOSIS TEST OF STAFF AND VOLUNTEERS

A. Contractor hereby certifies that, by signing this Agreement, Contractor and subcontractor staff working with youth, either as employees or volunteers, who have a supervisory or disciplinary authority over minors must be fingerprinted and pass a background check as required by California Penal Code §11105.3 and California Education Code §45125.1 and §10911.5. Fingerprinting and a background check may be required of other staff and volunteers depending upon how much contact a staff member will have with minors. Contractor shall be responsible for obtaining security clearances for staff whose duties require a sufficient level of interaction with youth.

B. Contractor hereby certifies that by signing this Agreement, Contractor shall have tuberculosis (TB) tests completed on any staff member working with youth.

C. Contractor shall maintain proof of Security Clearance and TB tests of all staff, including those of the subcontractors, and make such records available for future inspection.

8l. CRIMINAL CLEARANCES

Contractor shall immediately notify City of any arrest and/or subsequent conviction, other than for minor traffic offenses, of any employee, independent contractor, volunteer staff or Subcontractor who may come in contact with children while providing services under this Contract when such information becomes known to Contractor.

B. Contractor agrees not to engage or continue to engage the services of any person convicted of any crime involving harm to children, or any crime involving conduct inimical to the health, morals, welfare or safety of others, including but not limited to the offenses specified in Health and Safety Code, Section 11590 (offenses requiring registration as a controlled substance offender) and those crimes listed in the Penal Code which involve murder, rape, kidnap, abduction, assault and lewd and lascivious acts.

C. At any time prior to or during term of this Agreement, the City may require that all Contractor's staff performing work under this Agreement undergo and pass, to the satisfaction of City, a background investigation, as a condition of beginning and continuing to work under this Agreement. City shall use its discretion in determining the method of background clearance to be used, up to and including a City performed fingerprint security clearance. The fees associated with obtaining the background information shall be at the expense of Contractor, regardless if Contractor's staff passes or fails the background clearance investigation.

8m. SUBCONTRACTS AND PROCUREMENT

A. Contractor shall comply with federal and City standards in the award of any subcontracts. For purposes of this Agreement, subcontracts shall include, but not be limited to, purchase agreements, rental or lease agreements, third party agreements, consultant service contracts and construction subcontracts.

B. Contractor shall ensure that the terms of this Agreement with the City are incorporated into all subcontractor agreements. Contractor shall submit all subcontractor agreements to the City for review prior to the release of any funds to the subcontractor. Contractor shall withhold funds to any subcontractor agency that fails to comply with the terms and conditions of this Agreement and its respective subcontractor agreement.

9. DEFAULTS

Should CONTRACTOR fail for any reason to comply with the contractual obligations of this Agreement and fail to cure such within thirty (30) days written notice from the CITY, the CITY reserves a right to:

A. Reduce the total budget;
B. Make any changes in the general scope of this Agreement;
C. Suspend project operations in accordance with Section 9a of this Agreement; or
D. Terminate the Agreement and receive a refund in an amount not to exceed the pro rata portion of any fee that has been paid by the CITY under this Agreement but not yet furnished to the CONTRACTOR.

9a. NOTICE TO CORRECT PERFORMANCE

A. The CITY may notify CONTRACTOR of its failure to comply with the terms and conditions of this Agreement by giving written notice, effective upon date of such notice, which states the specific performance deficiencies to be corrected.

B. Within ten (10) business days, CONTRACTOR shall reply in writing setting forth the corrective actions that will be undertaken to remedy the performance deficiencies, which actions are subject to CITY approval in writing.

C. CONTRACTOR shall thereafter submit monthly progress reports to the CITY in accordance with the CITY approved corrective action plan specifying the actions taken and resolution of the performance deficiencies.

9b. SUSPENSION

A. The CITY may suspend all or part of the project operations for failure by CONTRACTOR to comply with the terms and conditions of this Agreement by giving no less than thirty (30) days written notice to cure all noncompliance, which shall be effective upon the date of the CITY's

written notice. This Notice of Suspension shall be effective upon the date of the CITY's written notice.

B. Said notice shall set forth the specific conditions of noncompliance and the period provided for corrective action.

C. Within ten business days CONTRACTOR shall reply in writing setting forth the corrective actions which will be undertaken, subject to CITY approval in writing.

D. Performance under this Agreement shall be automatically suspended without any notice from the CITY as of the date CONTRACTOR is not fully insured in compliance with Section 8a. INSURANCE herein. Performance shall not resume without the prior written approval of CITY.

9c. TERMINATION

A. At any time during the term of this Agreement, the CITY may terminate this Agreement, or any part of the Agreement, upon giving CONTRACTOR at least thirty (30) days written notice prior to the effective date of the termination, which date shall be specified in the notice. The CITY is not required to use other remedies provided herein prior to issuing a 30-day notice to terminate the Agreement. Upon receipt of such notice, CONTRACTOR shall immediately take action not to incur any additional obligations, cost or expenses, except as may be reasonably necessary to terminate its activities or as otherwise approved by the CITY.

B. CONTRACTOR shall retain and dispose of all customers' documents and related records required by CONTRACTOR under this Agreement, in accordance with CITY Directives or written instructions. All finished and unfinished documents and materials procured for or produced under this Agreement, including all intellectual property rights thereto, shall become CITY property upon the date of such termination. CONTRACTOR agrees to execute any documents necessary for the CITY to perfect, memorialize or record the CITY's ownership of rights provided herein.

C. CONTRACTOR shall return to the CITY all equipment that was purchased with CITY grant funds pursuant to this Agreement.

D. In the event CONTRACTOR dissolves or otherwise goes out of existence, copies of all records relating to the project or activity that are the subject of this Agreement shall be furnished to the CITY.

E. Upon satisfactory completion and documentation of termination activities, the CITY shall determine the total amount of funds earned by CONTRACTOR.

F. The CITY may withhold any payments due to CONTRACTOR after notice of termination has been issued for the purpose of set-aside until the exact amount of damages or unearned dollars due to the CITY from CONTRACTOR is determined.

G. Subsections B, C, D, E, and F above shall also apply to any amendments to this Agreement that provide for an extension of time or upon completion of performance of this Agreement.

H. This Agreement may be terminated immediately for any violation of CITY Lobbying Ordinances.

I. In the event the CITY terminates this Agreement as provided in this section, the CITY may procure, upon such terms and in such manner as the CITY may deem appropriate, services similar in scope and level of effort to those so terminated. In such event, the CONTRACTOR shall be liable to the CITY for its costs and damages, including, but not limited to, any excess costs for such services.

J. If, after notice of termination of this Agreement, under the provisions of this section, it is determined for any reason that CONTRACTOR was not in default under the provisions of this section, or that the default was excusable under the terms of this Agreement, the rights and obligations of the parties shall be the same as if the notice of termination had not been issued pursuant to this section.

9d. NOTICES OF SUSPENSION OR TERMINATION

In the event that this Agreement is suspended or terminated, CONTRACTOR shall immediately notify all employees and participants and shall notify in writing all other parties contracted with under the terms of Agreement within five business days from the CITY's written notice.

9e. SURVIVAL OF TERMS AND CONDITIONS

All terms and conditions of this Agreement which impose a duty, obligation or requirement on CONTRACTOR that extend beyond the Term hereof shall survive the termination of this Agreement.

10. LICENSING

The CONTRACTOR grants to the CITY a non-exclusive, nontransferable license (without rights to sublicense or to use in a service bureau environment) to install and use the Software, only in object code and only for the CITY's business purposes for the duration of the subscription term. License to software releases is included. The CITY will not copy (other than for archival purposes), modify, transfer to another entity, or use the Software, in whole or in part, except as expressly provided for in this Agreement. The Software may not be exported, rented, leased, or used to process the data of others.

The CITY may install the Software on computers or workstations at designated worksites. This license authorizes the CITY to make one copy of the Software and one copy of the server software solely for backup or archival purposes. The CITY shall not sublicense or otherwise authorize another entity or CITY department to install the Software without the CONTRACTOR's approval.

The CITY may use the Software on its own devices and server within a multi-user or networked environment.

10a. LIMITATION OF LIABILITY

Neither the CONTRACTOR nor any of its suppliers are liable for any special, incidental, consequential, or indirect damages, including but not limited to the costs of procuring substitute products or services, loss of use, loss of data, business interruption or lost profits arising from or in connection with this Agreement, with exception of those types of damages covered in whole or in part by CONTRACTOR's policies of liability insurance. The CONTRACTOR's liability arising from or in connection with this Agreement will not exceed $1,000,000. This Section shall not limit: (a) CONTRACTOR's liability for personal injury or death or for damage to real property or tangible personal property caused by the negligence or willful misconduct of CONTRACTOR or its employees; (b) liability otherwise covered by CONTRACTOR's commercial insurance policies required pursuant to this Agreement; or (c) liability for payment of interest added by a court of law or an arbitration panel to a judgment entered in any action or proceeding under this Agreement.

10b. INDEMNIFICATION

Notwithstanding any other provision of this Agreement, CONTRACTOR's indemnification obligations under this Agreement as they relate to intellectual property claims shall be limited to claims or suits from a third party unaffiliated with either party to this Agreement, to the extent that CONTRACTOR's products and services infringe a valid U.S. copyright or U.S. patent issued as of the date of this Agreement. CONTRACTOR will have no obligation to indemnify, defend, or hold CITY harmless from any Claim to the extent it is based upon: (i) a modification to any solution by CITY (or by anyone under CITY's direction or control or using logins or passwords assigned to CITY); (ii) a modification made by CONTRACTOR pursuant to CITY's required instructions or specifications or in reliance on materials or information provided by CITY; or (iii) CITY's use (or use by anyone under CITY's direction or control or using logins or passwords assigned to CITY) of any CONTRACTOR products and services other than in accordance with this Agreement.

10c. DATA PROTECTION

Notwithstanding any other provision of this Agreement, CONTRACTOR shall protect, using the industry standard protections, CITY-provided data or consumer-provided data acquired in the course and scope of this Contract, including but not limited to customer lists and customer credit card or consumer data, (collectively, the "CITY Data"). CONTRACTOR shall notify CITY in writing as soon as reasonably feasible, and in any event within seventy-two hours, of CONTRACTOR'S discovery of any unauthorized access of CITY Data (a "Data Breach"), or of any incident affecting CITY Data related to cyber security (a "Security Incident"), including, but not limited to, denial of service attack, and system outage, instability or degradation due to computer malware or virus. CONTRACTOR shall begin remediation immediately. CONTRACTOR shall provide daily updates, or more frequently if required by CITY, regarding findings and actions performed by CONTRACTOR until the Data Breach or Security Incident has been effectively resolved. CONTRACTOR shall conduct an investigation of the Data Breach or Security Incident and shall share the report of the investigation with CITY. At CITY'S sole discretion, CITY and its authorized agents shall have the right participate in the investigation. CONTRACTOR shall cooperate fully with CITY, its agents and law enforcement. This Section

sets forth the parties' complete and exclusive obligations with respect to the subject matter addressed herein.

10d. DISCLAIMER OF BEST TERMS

Notwithstanding any provision to the contrary, CONTRACTOR makes no commitment to offer CITY terms, pricing, or discounts equal to or better than those offered to any other customer, and any requirement to do so is expressly rejected. This Section sets forth CONTRACTOR's complete and exclusive obligations with respect to pricing and commercial terms.

11. In the event of any inconsistency between any of the provision of this Agreement and/or the appendices hereto, the inconsistency shall be resolved by giving precedence in the following order:

    a. Provisions of this Agreement. For the avoidance of doubt, Sections 10, 10a, 10b, 10c, and 10d of this Agreement shall control over any conflicting provision of the Standard Provisions for City Contracts (Rev. 5/26 [v.1]).
    b. Standard Provisions for City Contracts (Rev. 5/26 [v.1])

12. This Agreement includes twenty-five (25) pages which constitute the entire understanding and agreement of the parties.

STANDARD PROVISIONS FOR CITY CONTRACTS

PSC-1. CONSTRUCTIONS OF PROVISIONS AND TITLES HEREIN

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one **CONTRACTOR**, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

As used in this Contract, unless otherwise specified in the Contract, the term "Written Notice" or "Writing" may include correspondence sent via electronic mail, certified mail, or through the United States Postal Service.

PSC-2. APPLICABLE LAW, INTERPRETATION AND ENFORCEMENT

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to **CONTRACTOR**. In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction and venue, and agrees to bring all such actions, exclusively in state or federal courts located in the County of Los Angeles, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

PSC-3. TIME OF EFFECTIVENESS

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;

B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;

C. This Contract has been signed on behalf of **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract; and

D. The Office of the City Attorney has indicated in Writing (including electronic communication), its approval of this Contract as to form.

PSC-4. INTEGRATED CONTRACT/AMENDMENT

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only in Writing and signed by the duly authorized representatives of both parties, including the Office of the City Attorney as to form.

PSC-5. FORCE MAJEURE/EXCUSABLE DELAYS

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract if the delay or failure arises out of a Force Majeure Event. Force Majeure Events include but are not limited to fires, floods, earthquakes, epidemics, quarantine restrictions, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), government furloughs, government shutdowns, freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar and unforeseeable events. For the party to be excused from performance for its delay or failure resulting from a Force Majeure Event, in each case, the delay or failure to perform must have been unforeseeable at the time of contract, and be beyond the control and without any fault or negligence of the party delayed or failing to perform. Notwithstanding the foregoing, **CONTRACTOR** shall not be entitled to terminate this Contract due to a Force Majeure Event in the event that **CONTRACTOR** is engaged to perform services in response to that event.

CONTRACTOR's non-performance shall not be excused by a delay or failure to perform by a Subcontractor resulting from a Force Majeure Event, unless (1) the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them and (2) the **CONTRACTOR** establishes that the goods or services to be furnished by the Subcontractor could not have been obtained from other sources in sufficient time to permit **CONTRACTOR** to perform timely. In the event **CONTRACTOR's** delay or failure to perform is a result of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC-6. WAIVER

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term, or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-7. SUSPENSION

At **CITY's** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon delivery of the notice of suspension in accordance with the Contract, **CONTRACTOR** shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

PSC-8. TERMINATION

A. Termination for Convenience

CITY may terminate this Contract for **CITY's** convenience at any time by providing **CONTRACTOR** notice in Writing, which shall include the effective date of termination. Upon delivery of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination, provided that such amounts are approved, in Writing, by **CITY** in advance of the work being performed. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY's** ownership of rights provided herein.

B. Termination for Breach of Contract

1. Except as provided in PSC-5, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may immediately terminate this Contract by giving **CONTRACTOR** notice in Writing of the default and termination. Unless otherwise specified in **CITY's** termination notice, termination by **CITY** shall be effective three (3) days after the date of delivery of notice in Writing. Alternatively, in the event of a default, **CITY**, at its sole discretion, may send **CONTRACTOR** a default notice in Writing identifying the default and the time period to cure the default to the sole satisfaction of City. Additionally, **CITY's** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the

default, which shall be submitted to **CITY** within the time period allowed by the default notice. At **CITY's** sole discretion, **CITY** may accept or reject **CONTRACTOR's** plan. If: (1) **CITY** rejects **CONTRACTOR's** plan; (2) the default cannot be cured; or (3) **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR's** breach of this Contract.

2. If the default under this Contract is due to **CONTRACTOR's** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and **CONTRACTOR's** obligation to suspend performance of services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY's** requirements and provides written evidence to **CITY** that **CONTRACTOR** has obtained the required insurance coverage.

3. A breach of PSC-21, PSC-22, PSC-23, PSC-34, or PSC-37, or any unauthorized use of City Data or AI System, shall be deemed a breach of this Contract. **CITY** may require immediate suspension of the affected processing or services and may terminate this Contract if **CONTRACTOR** fails to cure within the period stated in **CITY's** notice, or immediately if the breach is not reasonably curable or presents an imminent risk to City Data, **CITY** systems, or the health, safety, or legal rights of any person.

4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates City, state, or federal laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.

5. Acts of Moral Turpitude

    a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person is informed that it is the target or subject of a local, state, or federal government investigation, or is criminally diverted, charged with, indicted for, convicted of, pleads nolo contendere to, forfeits bail, or fails to appear in court for a hearing, related to any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").

    b. Acts of Moral Turpitude include, but are not limited to: crimes set forth in California Penal Code Section 667.5, California Penal Code Section 1192.7, and California Public Resources Code Section 5164(a)(2) regardless of whether such acts are punishable by felony or misdemeanor conviction.

c. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.

d. **CITY** shall be entitled to terminate this contract for breach due to an Act of Moral Turpitude.

6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.

7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-8(A) Termination for Convenience.

8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in Writing all other parties contracted with under the terms of this Contract within five (5) calendar days of the termination.

PSC-9. INDEPENDENT CONTRACTOR

CONTRACTOR is an independent contractor and not an agent or employee of **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of **CITY**.

PSC-10. CONTRACTOR'S PERSONNEL

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. In the event that **CITY** is dissatisfied with the performance of any **CONTRACTOR** personnel, **CITY** and **CONTRACTOR** shall meet in person, virtually, or telephonically to attempt to resolve such concerns.

CONTRACTOR shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. If **CITY** permits the use of Subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of this Contract and

paying all Subcontractors. **CITY** has the right to approve **CONTRACTOR's** Subcontractors, and **CITY** reserves the right to require replacement of any Subcontractor. **CITY** does not have any obligation to pay **CONTRACTOR's** Subcontractors; and nothing herein creates any privity of contract between **CITY** and any Subcontractor.

Any employee, agent, or Subcontractor with access to City Data or Confidential Information shall be subject to written confidentiality obligations and appropriate privacy and security training. For purposes of this Contract, any third party that hosts, stores, transmits, supports, analyzes, or otherwise processes City Data or provides a material AI System used in performance of this Contract shall be deemed a Subcontractor or Subprocessor subject to **CITY's** prior written approval under this PSC-10.

PSC-11. ASSIGNMENT AND DELEGATION

CONTRACTOR may not, unless it has first obtained the written permission of **CITY**:

A. Assign or otherwise alienate any of its rights under this Contract by operation of law or otherwise, including the right to payment; or

B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

For the purposes of this Contract, any change of control of **CONTRACTOR** resulting from an amalgamation, merger, corporate reorganization, arrangement, business sale, or asset shall be deemed an assignment or delegation.

PSC-12. PERMITS

CONTRACTOR and its directors, officers, partners, agents, employees, and Subcontractors, shall obtain and maintain all licenses, permits, certifications, and other documents necessary for **CONTRACTOR's** performance of this Contract. **CONTRACTOR** shall immediately notify **CITY** of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents that relate to **CONTRACTOR's** performance of this Contract.

PSC-13. CLAIMS FOR LABOR AND MATERIALS/UNEMPLOYMENT

CONTRACTOR shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

PSC-14. CURRENT LOS ANGELES CITY BUSINESS TAX REGISTRATION CERTIFICATE REQUIRED

For the duration of this Contract, **CONTRACTOR** shall maintain valid Business Tax Registration Certificate(s) as required by **CITY's** Business Tax Ordinance, Section 21.00 et seq. of the Los Angeles Municipal Code ("LAMC"), and shall not allow the Certificate to lapse or be revoked or suspended.

PSC-15. RETENTION OF RECORDS, AUDIT AND REPORTS

CONTRACTOR shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form or as otherwise approved by **CITY**. Except in circumstances where either federal, state, or local law requires a longer period of retention, these records shall be retained for a period of no less than five (5) years from the later of the following: (1) final payment made by **CITY**, (2) the expiration of this Contract or (3) termination of this Contract ("Retention Period"). The records will be subject to examination and audit by authorized **CITY** personnel or **CITY's** representatives at any time.

CONTRACTOR acknowledges that this is an agreement with the Municipal Corporation of Los Angeles, and, as such, upon request by the Office of the Mayor, City Attorney, or Controller, agrees to provide such entities with access to any information, records, or data related to this Contract. **CONTRACTOR** shall provide any reports requested by **CITY** regarding performance of this Contract. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

Any Confidential Information and protected Personal Information contained in the records during the retention period will remain subject to the obligations and restrictions contained in the Contract. **CONTRACTOR** will not use the retained Confidential Information or Personal Information for any purpose.

In lieu of retaining the records for the term as prescribed in this provision, **CONTRACTOR** may, upon **CITY's** written approval, submit the required information to **CITY** in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract. At any time prior to or during Retention Period, **CONTRACTOR** shall, upon written request by **CITY**, provide all City Data to **CITY** in an electronic format, e.g. USB flash drive. Within thirty (30) days following the expiration of Retention Period, **CONTRACTOR** shall securely dispose of all City Data in its possession and provide **CITY** with written certification that it has completed secure disposal.

For purposes of this PSC-15, records pertaining to the performance of this Contract include records reasonably necessary to demonstrate **CONTRACTOR's** compliance with PSC-21, PSC-22, PSC-23, PSC-34, and PSC-37, including Subprocessor approvals, security assessments, incident reports, and policies or certifications made available to **CITY**. Retention of City Data itself shall remain subject to PSC-22.

PSC-16. BONDS

All bonds required by **CITY** shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code ("LAAC") Sections 11.47 et seq. and any successor sections.

PSC-17. INDEMNIFICATION

Except for the active negligence or willful misconduct of **CITY**, or any of its boards, officers, agents, employees, assigns and successors in interest, **CONTRACTOR** shall defend, indemnify and hold harmless **CITY** and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands, deficiencies, judgments, settlements, costs, and expenses of any kind, including, but not limited to, attorney's fees (both in house and outside counsel), costs of experts and consultants, damages or liability of any nature whatsoever whether foreseeable or unforeseeable (including, but not limited to, as related to death, personal injury, property damage, or economic loss), relating to or, arising in any manner by reason of the acts, errors, omissions or willful misconduct by **CONTRACTOR**, Subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. Without limiting the foregoing, such obligations apply to claims, losses, demands, and expenses arising out of or relating to any Security Incident or Data Breach, any unauthorized access to, acquisition, use, disclosure, loss, alteration, or destruction of City Data, any violation of PSC-21, PSC-22, PSC-23, PSC-34, or PSC-37, or any allegation that **CONTRACTOR's** use of an AI System under this Contract caused invasion of privacy, unlawful discrimination, defamation, or other injury, in each case to the extent caused by **CONTRACTOR** or its Subcontractors. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-18. INTELLECTUAL PROPERTY INDEMNIFICATION

CONTRACTOR, at its own expense, shall defend, indemnify, and hold harmless the **CITY**, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its Subcontractors, in performing the work under this Contract; or (2) as a result of **CITY's** actual or intended use of any Work Product furnished by **CONTRACTOR**, or its Subcontractors, under this Contract. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any

other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

For purposes of this PSC-18, intellectual property and proprietary information claims include claims arising from any software, dataset, AI System, model, training or fine-tuning data, prompt library, or output used or provided by **CONTRACTOR** or its Subcontractors in connection with the services. If any service, Work Product, or deliverable becomes, or in **CONTRACTOR's** reasonable judgment is likely to become, subject to such a claim, **CONTRACTOR** shall, at its expense and in addition to its defense and indemnity obligations, promptly: (1) procure for **CITY** the right to continue using the affected item; (2) replace or modify the affected item so that it becomes noninfringing without materially reducing functionality, security, or performance; or (3) if neither of the foregoing is commercially reasonable, refund the fees allocable to the affected item and assist **CITY** in an orderly transition. **CONTRACTOR** shall have no obligation under this paragraph to the extent a claim arises solely from modifications made by **CITY** other than through **CONTRACTOR**, use of the affected item contrary to the documentation or this Contract after notice by **CONTRACTOR**, or combination with items not supplied or approved by **CONTRACTOR** where the claim would not have arisen but for such combination.

PSC-19. INTELLECTUAL PROPERTY WARRANTY

CONTRACTOR represents and warrants that its performance of all obligations under this Contract does not infringe in any way, directly or contributorily, upon any third party's intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity and proprietary information.

CONTRACTOR further represents and warrants that: (1) **CONTRACTOR** and its Subcontractors have obtained and will maintain all rights, licenses, consents, notices, and permissions necessary for the technologies, datasets, AI Systems, and other materials used to perform this Contract and to grant the rights granted to **CITY** herein, including any required rights relating to voice, image, likeness, biometric, or other protected data; (2) no Contractor Materials, Work Product, or AI-generated deliverable provided to **CITY** is subject to any license, use restriction, or other encumbrance that would require **CITY** to disclose source code, grant rights to third parties, or accept restrictions inconsistent with this Contract, except as expressly disclosed in writing and approved by **CITY**; and (3) **CONTRACTOR** will not use City Data to train or improve any AI System except as expressly permitted under PSC-23.

PSC-20. TECHNOLOGY, DATA AND AI DEFINITIONS

For purposes of these Standard Provisions for City Contracts, the following terms apply:

"AI System" means any machine-based system, including any generative artificial intelligence, large language model, machine learning model, algorithmic or automated decision system, or similar technology, that infers from the inputs it receives how to

generate outputs such as text, images, audio, video, code, classifications, scores, predictions, recommendations, or decisions.

"City Data" means all data, content, records, information, text, audio, video, images, software, documents, Personal Information, credentials, metadata, logs, prompts, inputs, outputs, feedback, configurations, and other information, in any form, that is: (i) provided by or on behalf of **CITY** to **CONTRACTOR**; (ii) made available to **CONTRACTOR** by **CITY's** personnel, residents, users, agents, systems, or devices; or (iii) collected, received, accessed, stored, hosted, transmitted, generated, derived, created, or otherwise processed by **CONTRACTOR** or its Subprocessors in connection with this Contract, in each case where such information identifies, relates to, describes, is reasonably capable of being associated with, or could reasonably be linked to **CITY**, any individual or household, **CITY** operations, or **CITY** systems. City Data includes any data embodied in Work Product and any prompts, inputs, outputs, logs, and evaluation data used or generated in connection with any AI System under this Contract. City Data does not include Contractor Materials, and does not include De-Identified Data solely to the extent **CONTRACTOR** is expressly permitted to use such De-Identified Data under PSC-22.

"Contractor Materials" means preexisting or independently developed materials, services, software, source code, object code, models, algorithms, routines, templates, know-how, tools, methods, documentation, and other intellectual property that were not created specifically for **CITY** under this Contract and were not developed using City Data or **CITY** funding.

"Data Breach" means any unauthorized acquisition, access, use, disclosure, exfiltration, loss, theft, destruction, alteration, or compromise of City Data, or of the security, confidentiality, or integrity of City Data, whether or not such event constitutes a breach under applicable law.

"De-Identified Data" means data that cannot reasonably be used to infer information about, or otherwise be linked to, **CITY**, any individual, household, device, or **CITY** system, and with respect to which **CONTRACTOR** has implemented technical and organizational measures designed to prohibit re-identification and onward disclosure except as permitted by law.

"Personal Information" means any information that identifies, relates to, describes, is reasonably capable of being associated with, or could reasonably be linked, directly or indirectly, with a particular individual or household, and any other data subject to privacy, confidentiality, security, breach notification, consumer protection, identity theft, employment, or similar laws, including sensitive personal information, personally identifiable information, protected health information, payment card data, financial account information, biometric information, credentials, education records, and government-issued identifiers.

"Security Incident" means any actual or reasonably suspected event that materially threatens or adversely affects the confidentiality, integrity, availability, or resilience of City

Data or of the systems used to provide the services, including malware, ransomware, denial of service, unauthorized access attempts, or material outages, but excluding unsuccessful routine scans, pings, or blocked attacks that do not result in unauthorized access to City Data or material degradation of the services.

"Subprocessor" means any subcontractor or other third party, including any cloud, hosting, support, analytics, payment, or AI provider, engaged by **CONTRACTOR** or its Subcontractors to host, access, receive, store, transmit, or otherwise process City Data or to provide a material technology service used in performance of this Contract.

PSC-21. OWNERSHIP AND LICENSE

A. City Data. **CITY** retains all right, title, and interest in and to City Data. No rights in City Data are granted to **CONTRACTOR** except the limited, nonexclusive, nontransferable right to use City Data solely as necessary to perform this Contract and solely in accordance with this Contract and **CITY's** written instructions. **CONTRACTOR** shall not sell, license, rent, disclose, release, transfer, assign, encumber, or otherwise exploit City Data and shall not assert any lien, withholding right, setoff, or other encumbrance against City Data.

B. Work Product. Unless otherwise expressly provided in this Contract, all finished and unfinished works, tangible or intangible, originated and prepared by **CONTRACTOR** or its Subcontractors specifically for **CITY** under this Contract, including, without limitation, documents, reports, analyses, studies, specifications, manuals, software, code, configurations, interfaces, databases, designs, audiovisual materials, websites, domain names, inventions, discoveries, and other deliverables (each, a "Work Product"; collectively, "Work Products"), together with all intellectual property rights therein, shall be and remain the exclusive property of **CITY** for its use in any manner **CITY** deems appropriate. **CONTRACTOR** hereby assigns to **CITY** all right, title, and interest worldwide in and to such Work Products. **CONTRACTOR** shall execute any documents reasonably necessary for **CITY** to perfect, memorialize, or record **CITY's** ownership of rights provided herein.

C. AI-Generated Output. To the extent any Work Product or portion thereof is generated or assisted by an AI System or is not capable of assignment or exclusive ownership as a matter of law, **CONTRACTOR** hereby grants to **CITY** a perpetual, irrevocable, worldwide, royalty-free, fully paid-up license, with the right to sublicense to **CITY's** contractors and service providers acting on **CITY's** behalf, to use, reproduce, modify, display, perform, distribute, create derivative works from, and otherwise exploit such Work Product or output for any **CITY** purpose.

D. Contractor Materials. **CONTRACTOR** retains ownership of Contractor Materials. To the extent any Contractor Materials are incorporated into, delivered with, or reasonably necessary for **CITY** to use any Work Product or receive the benefits of the services, **CONTRACTOR** grants to **CITY** a nonexclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid-up license, with the right to

sublicense to **CITY's** contractors and service providers acting on **CITY's** behalf, to use, execute, reproduce, display, perform, configure, maintain, support, and, if delivered in source or editable form, modify such Contractor Materials solely as necessary for **CITY** to use the Work Product and receive the benefits of the services.

E. Third-Party Materials. For all materials, software, data, or other items delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure for **CITY**, at no additional cost to **CITY**, all rights necessary for **CITY** to use such items for **CITY** purposes and to receive the full benefit of this Contract.

F. Restrictions on Disclosure. **CONTRACTOR** shall not provide or disclose any Work Product or City Data to any third party except as expressly permitted under this Contract or approved in writing by **CITY.**

G. Subcontracts. Any subcontract or other agreement entered into by **CONTRACTOR** relating to this Contract shall preserve and protect **CITY's** rights in City Data and Work Product and shall state that no Subprocessor or subcontractor obtains any ownership interest in either.

H. Equitable Relief. **CONTRACTOR** agrees that a monetary remedy for breach of this PSC-21 may be inadequate, impracticable, or difficult to prove and that a breach may cause **CITY** irreparable harm. **CITY** may therefore enforce this PSC-21 by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

PSC-22. DATA PROTECTION

A. General Standard. **CONTRACTOR** shall protect City Data using administrative, technical, physical, and organizational safeguards no less rigorous than accepted industry standards and no less protective than those **CONTRACTOR** uses for its own information of similar sensitivity, and in all events consistent with applicable law and the nature of the services and City Data. **CONTRACTOR** shall maintain a written information security program, incident response plan, and business continuity and disaster recovery capabilities appropriate to the services.

B. Permitted Use; Restricted Use. **CONTRACTOR** shall collect, access, use, retain, disclose, store, and otherwise process City Data only for the limited and specified purpose of performing this Contract, complying with applicable law, and as otherwise expressly authorized in writing by **CITY. CONTRACTOR** shall limit access to City Data to personnel and approved Subprocessors with a need to know for performance of this Contract and who are bound by written confidentiality and data protection obligations at least as protective as this Contract. In addition to the

confidentiality obligations in PSC-37, **CONTRACTOR** shall not: (i) sell, share, rent, release, disclose, disseminate, make available, transfer, or otherwise communicate City Data to any third party except as expressly authorized by **CITY** or required by law; (ii) use City Data for advertising, marketing, profiling for unrelated purposes, product development unrelated to the services, or any commercial purpose other than performance of this Contract; (iii) combine City Data with data from other customers or sources except as necessary to provide the services and subject to written controls that prevent unauthorized use or disclosure; or (iv) move, store, or permit access to City Data outside the United States without **CITY's** prior written approval.

C. Data Minimization and Retention. **CONTRACTOR** shall collect and use only the minimum City Data reasonably necessary to perform this Contract, and shall retain City Data only for the duration reasonably necessary for the permitted purpose or as otherwise required by law or **CITY's** written instructions. If retention is required by law or PSC-15, such retained City Data shall remain subject to all protections of this Contract.

D. Security Controls. Without limiting the foregoing, **CONTRACTOR** shall, to the extent applicable to the services, implement and maintain: (i) logical access controls based on least privilege and unique user identification; (ii) multi-factor authentication for remote access, privileged access, and access to systems hosting City Data where technically feasible; (iii) encryption of City Data in transit and at rest, to the extent commercially reasonable and appropriate to the sensitivity of the City Data and the architecture of the services, and in all cases for portable media and internet transmissions; (iv) malware protection, endpoint monitoring, and timely security patching and vulnerability management appropriate to risk; (v) logging and monitoring reasonably sufficient to detect, investigate, and respond to unauthorized access or use; (vi) secure configuration, secure development where software or AI-based services are provided, and change management; (vii) secure disposal of media containing City Data; (viii) periodic privacy and security training for personnel with access to City Data; and (ix) segregation of City Data from other data through logical or physical separation appropriate to the services.

E. Subprocessors. **CONTRACTOR** shall not permit any Subprocessor to access or process City Data without **CITY's** prior written approval as required hereunder and a written agreement binding the Subprocessor to obligations no less protective than this Contract, including the restrictions in this PSC-22 and PSC-23. **CONTRACTOR** remains fully responsible for all acts and omissions of its Subprocessors.

F. Security Incidents and Data Breaches. **CONTRACTOR** shall notify **CITY** in writing without unreasonable delay, and in any event no later than twenty-four (24) hours after discovery of any Security Incident or Data Breach. Such notice shall include, to the extent known at the time, the nature of the incident, the categories of City Data affected, the date and time or estimated date and time of the incident, the

systems affected, the measures taken or proposed to address it, and a point of contact. **CONTRACTOR** shall promptly take all reasonable steps to contain, investigate, mitigate, and remediate the incident; preserve relevant evidence; provide **CITY** with regular status updates at least daily until resolution, or more frequently if reasonably requested by **CITY**; and cooperate fully with **CITY**, its representatives, insurers, auditors, and law enforcement. **CONTRACTOR** shall not notify any third party, regulator, or affected individual, or issue any public statement, regarding any Security Incident or Data Breach involving City Data without **CITY's** prior written approval, unless required by law, in which case **CONTRACTOR** shall, to the extent legally permitted, consult with **CITY** in advance and provide **CITY** a copy of the proposed notice. **CONTRACTOR** shall reimburse **CITY** for reasonable documented third-party costs incurred by **CITY** to investigate, respond to, mitigate, notify, and remediate any Security Incident or Data Breach to the extent caused by **CONTRACTOR** or its Subprocessors, including legally required notice, call center support, credit or identity monitoring where reasonably appropriate, forensic services, data restoration, and other reasonable incident response costs.

G. Assessments and Audit Cooperation. Upon **CITY's** reasonable request, not more than once annually except following a Security Incident, Data Breach, or material change in **CONTRACTOR's** security controls, **CONTRACTOR** shall provide **CITY** with then-current summaries of relevant independent security assessments, certifications, or audit reports, such as SOC 2 Type II, ISO 27001, or comparable reports, if available, together with remediation status for material findings relevant to the services. If such reports are unavailable, **CONTRACTOR** shall complete **CITY's** reasonable security questionnaire and provide reasonable supporting documentation sufficient to demonstrate compliance with this PSC-22. **CITY** or its designated representative may, upon reasonable notice and during normal business hours, perform a reasonable review of **CONTRACTOR's** compliance with this PSC-22 and PSC-23, subject to reasonable confidentiality, security, and operational safeguards. Any such review shall be limited to information and systems relevant to the services and City Data and shall not unreasonably interfere with **CONTRACTOR's** business operations or expose data of other customers.

H. Return, Transition, and Deletion. Upon **CITY's** request, expiration, or termination of this Contract, **CONTRACTOR** shall promptly, and in no event later than thirty (30) days unless otherwise directed by **CITY**, return to **CITY** all City Data in a reasonably usable format designated by **CITY** and securely delete all copies of City Data in **CONTRACTOR's** and its Subprocessors' possession or control, except to the extent retention is required by law or by immutable backup media not reasonably accessible in the ordinary course. Any retained City Data shall remain subject to this Contract until deleted. Upon request, **CONTRACTOR** shall certify in writing its completion of the return and deletion obligations. The return of City Data in a reasonably usable format and the deletion certification required by this subsection shall be provided at no additional charge. Additional transition services

requested by **CITY** beyond those ordinary obligations shall be provided at the rates, if any, set forth in this Contract, or otherwise at mutually agreed rates.

I. Legal Requests and Public Records. **CONTRACTOR** shall promptly notify **CITY** of any subpoena, court order, public records request, or other legal demand seeking City Data or Confidential Information, unless prohibited by law. **CONTRACTOR** shall not respond or produce City Data except as required by law and after giving **CITY** a reasonable opportunity to seek protective relief or otherwise direct the response. **CONTRACTOR** shall reasonably assist **CITY** in responding to requests for records relating to this Contract.

J. Limited Use of De-Identified Data. **CONTRACTOR** may use De-Identified Data solely for internal security, fraud prevention, service support, capacity planning, and improvement of the services provided to **CITY**, provided that **CONTRACTOR** does not identify **CITY**, any individual, household, device, or **CITY** system, does not sell or share such data, and does not use such data to train or improve any general-purpose or third-party AI System without **CITY's** prior written approval.

K. By entering into this Contract, **CONTRACTOR** certifies that it understands and will comply with the restrictions in this PSC-22 and PSC-23. This PSC-22 shall survive expiration or termination of this Contract.

PSC-23. ARTIFICIAL INTELLIGENCE AND AUTOMATED PROCESSING

A. Disclosure and Approval. **CONTRACTOR** shall not use any AI System that processes City Data, generates deliverables for **CITY**, interacts with the public or **CITY** personnel on **CITY's** behalf, or materially informs services or decisions under this Contract, or permit any Subprocessor to do so, without prior written disclosure to **CITY** of the AI System or provider, intended use case, categories of City Data processed, hosting region, retention practices, and material limitations reasonably known to **CONTRACTOR** that may affect accuracy, reliability, security, confidentiality, intellectual property, or bias. No such AI System or material AI feature may be enabled for **CITY** without **CITY's** prior written consent if it materially changes how City Data is processed or materially changes the risk profile of the services.

B. No Model Training or Secondary Use. Except as expressly authorized in a written amendment signed by **CITY**, **CONTRACTOR** shall not, and shall cause its Subprocessors and AI providers not to, use City Data to train, retrain, fine-tune, or otherwise improve any AI System or model, whether general-purpose or customer-specific. Any retention of prompts, inputs, outputs, or feedback for abuse monitoring, safety review, or troubleshooting must be disclosed to **CITY** in advance, limited to the minimum necessary, protected as City Data, and not used for model training or generalized product improvement.

C. Responsibility and Human Oversight. **CONTRACTOR** remains fully responsible for all services performed with or through an AI System. **CONTRACTOR** shall implement reasonable governance and quality controls appropriate to the use case, including documented intended use, change management, testing for material errors and security risks, and human review before any AI-generated output is relied upon for material legal, financial, employment, eligibility, benefits, enforcement, or safety decisions affecting any individual, unless **CITY** expressly authorizes otherwise in writing and applicable law permits such use.

D. Output and Records. Any output, report, recommendation, code, content, or other deliverable generated by an AI System for **CITY** under this Contract shall be treated as Work Product or City Data, as applicable. Upon **CITY's** reasonable request, **CONTRACTOR** shall identify whether a deliverable was materially generated or modified using an AI System. **CONTRACTOR** shall, upon **CITY's** reasonable request, maintain and provide records sufficient to identify the AI System used, the material version or model family, the date of use, and the categories of City Data processed in connection with the services, except to the extent disclosure would reveal **CONTRACTOR's** trade secrets unrelated to **CITY's** use, in which case **CONTRACTOR** shall provide a reasonably informative summary.

E. Changes and Suspension. **CONTRACTOR** shall provide **CITY** with reasonable advance written notice of any material change in an AI System or AI provider used to perform the services that is reasonably likely to affect City Data, security, confidentiality, functionality, or the risk profile of the services. If **CITY** reasonably determines that an AI System presents a material risk to City Data, **CITY** systems, or affected individuals, **CITY** may direct **CONTRACTOR** to suspend the applicable AI-enabled processing until the risk is remediated to **CITY's** reasonable satisfaction.

This PSC-23 shall survive expiration or termination of this Contract.

PSC-24. INSURANCE

During the term of this Contract and without limiting **CONTRACTOR's** obligation to indemnify, hold harmless and defend **CITY**, **CONTRACTOR** shall provide and maintain at its own expense a program of insurance having the coverages and limits not less than the required amounts and types as determined by the Office of the City Administrative Officer of Los Angeles, Risk Management (template Form General 146 in Exhibit 1 hereto). The insurance must: (1) conform to **CITY's** requirements; (2) comply with the Insurance Contractual Requirements (Form General 133 in Exhibit 1 hereto); and (3) otherwise be in a form acceptable to the Office of the City Administrative Officer, Risk Management. **CONTRACTOR** shall comply with all Insurance Contractual Requirements shown on Exhibit 1 hereto. Exhibit 1 is hereby incorporated by reference and made a part of this Contract.

The insurance must name **CITY** as an additional insured with respect to liability coverage. No policies or certificates with respect to such insurance may be cancelled or materially changed without at least thirty (30) days' prior written notice by the respective insurer to **CITY**.

PSC-25. BEST TERMS/MOST FAVORED NATIONS

Throughout the term of this Contract, **CONTRACTOR**, shall offer **CITY** the same or better terms, prices, and discounts that are offered by **CONTRACTOR** to any person or entity for similar goods and services provided under this Contract. In the event that **CONTRACTOR** offers any customers pricing lower than that offered to **CITY** during the term of this **CONTRACT**, **CONTRACTOR** must immediately notify **CITY** in writing and provide those same terms to **CITY**.

PSC-26. WARRANTY AND RESPONSIBILITY OF CONTRACTOR

CONTRACTOR warrants that the work performed hereunder shall be completed in a manner consistent with professional standards practiced among those firms within **CONTRACTOR's** profession, doing the same or similar work under the same or similar circumstances.

CONTRACTOR further warrants that: (1) the services and any systems used to provide them will materially conform to the specifications, documentation, and representations made to **CITY** regarding functionality, security, retention, and AI use; (2) **CONTRACTOR** has implemented and will maintain the safeguards required by PSC-22 and PSC-23; (3) to **CONTRACTOR's** knowledge, and except as disclosed to **CITY** in writing, the services will not contain viruses, malware, back doors, time bombs, or other malicious code intentionally inserted by **CONTRACTOR**; and (4) any deliverable materially generated or supported by an AI System will be subject to reasonable human review and quality controls appropriate to its intended use before delivery to **CITY**.

PSC-27. NON-DISCRIMINATION IN EMPLOYMENT/AFFIRMATIVE ACTION

Unless otherwise exempt, this Contract is subject to the applicable non-discrimination, equal benefits, equal employment practices, and affirmative action program provisions in LAAC Section 10.8 et seq., as amended from time to time.

B. The requirements of Section 10.8.2.1 of the LAAC, including the provisions of Section 10.8.2.1(f) are incorporated and made a part of this Contract by reference.

C. The provisions of Section 10.8.3 of the LAAC are incorporated and made a part of this Contract by reference.

PSC-39. SIGNATURES

This Contract may be executed in one or more counterparts, and by the parties in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. The parties further agree that facsimile signatures or handwritten signatures scanned into .pdf format (or another electronic format designated by **CITY**) and sent by e-mail shall be deemed original signatures. Each party further agrees, and acknowledges that it is such party's intent, that if such party signs this Contract using an electronic signature, it is signing, and accepting this Contract and that signing this Contract using an electronic signature evidences the equivalent intent of a handwritten or facsimile signature on this Contract.

PUBLIC WORKS

MOTION

Born on June 18, 1969, in Dallas, Texas, Bishop Miquail M. Broadous, Sr. relocated to Southern California as a child, answered his call to ministry at fourteen, and rose from Assistant Pastor of Grace Temple Baptist Church in 1988 to Senior Pastor in 1996 and Bishop in 2000, leading the church's growth as a center for faith, community outreach, and service in South Los Angeles.

Beyond his pastoral responsibilities, Bishop Broadous was a passionate community organizer and advocate who worked alongside local elected officials, faith-based institutions, and neighborhood organizations to bring residents together and strengthen communities. His organizing efforts were particularly impactful in Council District 8, where he helped mobilize residents and faith leaders in the Florence Avenue and Gramercy Place neighborhood through community block parties, annual "Unity in the Community" celebrations, and summer retreats. These initiatives promoted neighborhood unity, civic engagement, fellowship, and community empowerment.

His broader leadership included serving as Moderator of the Southern California District Bible Association, overseeing more than twenty pastors and churches, and Treasurer of the Baptist Ministers Conference of Southern California. He also demonstrated his commitment to strengthening faith-based institutions by raising $60,000 through a capital campaign supporting the Western Baptist Ministries Conference's building efforts. In 2016, he expanded his pastoral leadership to include Cedar Grove Baptist Church and Calvary Baptist Church of Pacoima.

Bishop Broadous passed away on February 26, 2017, leaving a lasting legacy of faith, community organizing, mentorship, and empowerment. In recognition of his contributions to South Los Angeles, particularly his efforts to unite and strengthen the Florence Avenue and Gramercy Place neighborhood, it is fitting that the City of Los Angeles honor his legacy through the designation of a public intersection in his name.

I THEREFORE MOVE that the intersection of Florence Avenue and South Gramercy Place be designated as "Bishop Miquail M. Broadous, Sr. Square" Department of Transportation be directed to fabricate and install appropriate ceremonial signs at this location, in consultation with the Council Office, to commemorate the designation.

TRADE, TRAVEL AND TOURISM

MOTION

Van Nuys Airport (VNY) is a public asset in the San Fernando Valley. The City owns it, Los Angeles World Airports (LAWA) runs it, and the Board of Airport Commissioners (BOAC) governs it. It is one of the busiest general aviation airports in the nation, and it sits beside homes. VNY should be a community amenity: steady revenue for the City, good jobs for nearby residents, and cleaner air and quiet for neighbors.

Five upcoming leases before Council would bring investment to sites that LAWA reports are vacant or held on expired or month to month terms. LAWA projects about 950 jobs, roughly 300 of them permanent, and about $124 million in private capital. The Valley needs this investment. These leases can modernize VNY, protect good jobs and cut the environmental impact on the ground.

I THEREFORE MOVE that the Council **REQUEST LAWA**, within 90 days, submit a VNY Jobs and Workforce Plan with baselines, numeric targets and dates, with annual reports. The plan shall include:

(a) A wage standard for jobs under future VNY leases, set at or above the Living Wage Ordinance airport employee rate, with employer health coverage, and phased in on a stated schedule.

(b) A written transition plan for every VNY tenant displaced or reduced by a pending lease, covering notice, relocation within VNY, and retention or placement of its workers.

(c) Verified annual permanent and construction job counts by job type, wage band, and worker ZIP code.

(d) First Source Hiring modeled on LAX, with Women in Non-Traditional Employment Roles (WINTER) and school training partnerships, and at least 20% of construction labor hours for residents of nearby low income ZIP codes and 15% apprentice hours.

I FURTHER MOVE that the Council **REQUEST LAWA** to submit to Council within 120 days a Good Neighbor Plan for the blocks nearest VNY, with targets reported bi-annually, covering:

(a) Complaint line. A line answered during published hours with a response in one business day, and a public complaint log.

(b) Flight counts. Public counts every month: operations by hour, night operations, curfew violations, tower hours, and complaints and response times.

(c) Air quality. Independent monitors for ultrafine particles, fine particulate matter, nitrogen oxides and lead along Hayvenhurst Avenue, with public data.

I FURTHER MOVE that the Council **REQUEST LAWA**, as airport sponsor, to ask the Federal Aviation Administration (FAA) within 90 days to support and fund an update of the VNY Part 150 noise study, including its Noise Exposure Maps and Noise Compatibility Program. The update should reflect existing operations, detailed analysis supporting mitigation, location, and nature of proposed elements for the FAA to consider. LAWA shall report the FAA's response to Council within 60 days of receiving it.

I FURTHER MOVE that the Council **REQUEST LAWA**, in coordination with the Department of City Planning, the Board of Public Works, and the Department of Transportation, present a plan with 120 days for streetscape improvements at Sherman Way, Woodley, Roscoe, Valjean, Hayvenhurst and Balboa, to include lighting, public art, signs and wayfinding, intersection improvements, landscaping, and related amenities to enhance VNY's major gateways.

I FURTHER MOVE that the Council **REQUEST LAWA** present within 60 days a draft VNY Lease Solicitation and Performance Policy with its estimated effect on airport revenue, and to adopt it before LAWA issues any new VNY request for proposals, before any Commissioner is seated under Charter Amendment PRT and resulting Ordinance, and in any event within 90 days. LAWA shall publish the scoring weights with every solicitation. The policy shall include:

(a) Minimums. Capacity for electric ground power; LEED Silver and 15% better than Title 24, as LAWA required in 2022; a zero emission ground equipment schedule; an unleaded fuel plan; Quieter Nights participation; and First Source Hiring.

(b) Scoring. Financial return stays the largest category. Community improvements, workforce and environmental criteria together carry at least 35%, with points for verified jobs, wages and local hiring.

(c) Revenue and enforcement. A minimum annual guarantee, percentage rent and scheduled rent resets; public annual reports; a periodic independent audit; and cure periods and remedies.

I FURTHER MOVE that the Council **REQUEST** the City Attorney, with LAWA counsel, to report to Council within 45 days on which lease terms are tenant conduct and which are access restrictions under federal noise law, whether the wage standard can bind VNY tenants, whether tenant community contributions are airport revenue, how to set hiring targets by residency and income, and whether the policy needs an ordinance.

While votes are still being counted and election results have not yet been certified, the City should begin preparing the necessary implementing legislation to ensure timely compliance should the measure be approved.

I THEREFORE MOVE that the City Council instruct the Office of Finance, and request the City Attorney, to take the necessary administrative actions to implement Proposition TE upon certification of the election results confirming its passage, and report back to the City Council with recommendations for any additional Council actions necessary to ensure its effective implementation.

MOTION

PUBLIC WORKS

In 2005, the City transferred the powers and duties of the Director of Public Works to the Executive Officer of the Board of Public Works (C.F. 04-1341). Under the current City Charter, the Director of Public Works is the Chief Administrative Officer of the Department of Public Works and is appointed by the Mayor subject to confirmation by the City Council. The Director of Public Works has only limited powers within the Department of Public Works in lieu of the standard general manager powers of other chief administrative officers under Charter Section 509. The Executive Officer of the Board of Public Works is the Secretary to the Board and is appointed by the Board of Public Works and is subject to the civil service provisions of the Charter. The 2005 transfer of the Director's powers and duties to the Executive Officer consolidated the two positions into a single position which is appointed by the Board of Public Works.

Charter Amendment LA, which was placed on the November 3, 2026 ballot, would greatly expand the power of the Director of Public Works (C.F. 26-1100-S11) to include, among other things, the standard Charter Section 509 powers of a general manager over the Department of Public Works. Should the voters adopt Charter Amendment LA, the Director of Public Works would be the general manager of the Department of Public Works, but whose powers would continue to reside in the Board-appointed Executive Officer and would be subject to civil service. Given this proposed expansion of powers under Charter Amendment LA, the consolidation of the roles of the Director of Public Works and the Executive Officer of the Board of Public Works creates a potential conflict as the general managers of all Charter-created departments are to be appointed by the Mayor, subject to the confirmation of City Council. General managers, in accordance with Charter Section 1001, are also exempt from Civil Service

If Charter Amendment LA is approved by the voters, the City should expeditiously restore the appointment processes and separate roles of the Director of Public Works and the Executive Officer of the Board of Public Works to avoid any confusion in these roles' responsibilities and to bring the Los Angeles Administrative Code in line with the amended Charter. In order to effectuate this, the City should repeal the Los Angeles Administrative Code Sections that transferred the powers and duties of the Director of Public Works to the Executive Officer of the Board of Public Works, contingent upon the approval of Charter Amendment LA.

I THEREFORE MOVE that the City Attorney be requested to prepare and present a draft ordinance to repeal Los Angeles Administrative Code Sections 22.327 - 22.328, contingent upon approval of Charter Amendment LA by the voters at the November 3, 2026 election, in order to restore the Director of Public Works as a separate role from the Executive Officer of the Board of Public Works.

BUDGET & FINANCE

MOTION

In anticipation of the voters of the City of Los Angeles approving the requirement of Capital Infrastructure Plan (CIP) and moving the City to a two-year (biennial) budget cycle, via Measure LA on the November 3, 2026 ballot, the City Council requires an implementation plan to govern this transition, evaluate target implementation dates, update the City's budget and financial systems, and draft necessary enabling ordinances. Transitioning to a biennial budget and implementing a multi-year CIP represents a fundamental shift in the City's fiscal governance, designed to foster long-term financial stability, align operating decisions with strategic goals, integrate capital planning, and incorporate rigorous departmental performance evaluation. However, the new language in the Charter, should Measure LA pass, only changes budget development dates and milestones, establishes the requirement of a CIP via ordinance, and imposes the immediate change to a two-year budget cycle. Missing from the Charter language is a plan for how these changes will be implemented in a successful manner.

On March 13, 2026, the City Administrative Officer (CAO) issued a comprehensive report (C.F. 23-1027-S3) evaluating the transition to a biennial budget structure and outlining essential pillars required for the successful implementation of a biennial budget cycle. These include a four-year strategic plan, a multi-year CIP, and a multi-year financial plan. Moreover, in the report, the CAO concluded that a fully developed four-year strategic plan—requiring extensive public engagement, statistical polling, and community feedback—must be finalized before the initial biennial budget can be drafted.

Furthermore, the four-year strategic plan should identify, define, and prioritize the City's capital project priorities based on the multi-year CIP. Without these elements, the benefits of a two-year (biennial) budget and a CIP ordinance will not be realized and an immediate, or near-term, transition will be infeasible.

I THEREFORE MOVE, that City Administrative Officer present a report within 30 days to the City Council with an implementation plan for the transition to a biennial budget cycle, consistent with C.F. 23-1027-S3 that includes the following elements:

1. A proposed timeline for the development of the four-year strategic plan to be prepared by the Mayor for City Council consideration;
2. Resources required to develop the four-year strategic plan that includes a public engagement component;
3. A proposed timeline for the transition to a biennial budget cycle following the adoption of multi-year Capital Infrastructure Plan and a four-year strategic plan;
4. A preliminary needs assessment of the City's financial systems to determine the requirements necessary to produce a two-year budget and all required financial documents;

NOV 06 2026

5. An estimate of the resources needed in Fiscal Year 2027-28, to begin this transition; and
6. Recommendations to inform the development of the Capital Infrastructure Plan ordinance.

I FURTHER MOVE, that City Administrative Officer present a report with a preliminary multi-year fiscal outlook to the City Council within 30 days covering fiscal years through 2029-30 that includes the following elements:

1. An economic forecast based on current economic conditions and assumptions derived from an analysis of the US, state, and local economies;
2. A revised Budget Outlook scenario with revenue and expenditure projections based on trends in existing revenue streams to illustrate the level of available resources given current policy and projected economic assumptions and estimate of future costs of current services, adjusted for inflation and known obligations (such as collective bargaining increases or lease escalations);
3. An analysis of any identified projected annual deficits or surplus;
4. Estimated costs over the next 20 to 30 years for the City to meet its basic public right-of-way infrastructure needs, including for street lights, curb ramps, sidewalks, streets, urban forest, and compliance with the Healthy Streets L.A. measure; and
5. Recommendations to improve the City's long-term fiscal condition, including the actions necessary to improve the City's finances.

ARTS, PARKS, & CITY FACILITIES

Motion

Panorama City, a neighborhood in the San Fernando Valley, has a population of approximately 65,520 residents, of which 66% of households are renters. As the residents of Panorama City lean on the Council Office for housing guidance and support, we often hear from community members about the need for additional resources. Despite this, no local office or facility currently offers residents direct, in-person access to housing services. This means that housing coalition members who are tasked to support Panorama City and CD6 residents are based outside the area and must host their workshops and tenant rights assistance online. These essential resources remain difficult for all residents to access due to the lack of technology and transportation. Furthermore, coalition members unfamiliar with the local area frequently encounter difficulties when attempting to secure suitable venues for hosting in-person clinics and educational workshops. Consequently, there is a vital need for a dedicated facility located in CD6 and Panorama City that will offer housing and tenant services to local constituents during this housing crisis. Furthermore, establishing this facility aligns with the Housing Department's goal of directing assistance to high-need areas, particularly given the community's density and diversity, as well as the upcoming development of the East San Fernando Valley Light Rail Transit Project.

I THEREFORE MOVE that the City Council INSTRUCT the Department of General Services, in coordination with the Los Angeles Housing Department, to identify potential site locations capable of hosting housing and tenant resource services, a Council District 6 field office, and dedicated service space for local community non-profit organizations to provide tenant and housing services to local constituents.

I FURTHER MOVE to INSTRUCT the Los Angeles Housing Department to provide the General Services Department with technical specifications necessary for delivering tenant and housing resources, including the space needed for legal eviction defense services.
