## Interpretation Services

Spanish language interpretation is available at all City Council and Committee meetings.
**SE OFRECE SERVICIO DE TRADUCCIÓN AL ESPAÑOL EN TODAS LAS REUNIONES DEL CONSEJO Y COMITÉ MUNICIPAL.**
For interpretation services in additional languages and Sign Language Interpreters, at no cost, please contact clerk.interpretation@lacity.org or call (213) 978-1133 and provide the language desired, specific meeting, meeting date, and the number of people in the group.
All requests should be submitted with as much advance notice as possible, preferably two business days prior to the meeting you wish to attend for additional language interpretation and five business days for Sign Language Interpretation. We will do our best to accommodate requests with shorter notice, but securing last-minute interpreters or captioners may not always be feasible.

## Reasonable Modifications or Accomodations

Requests for reasonable modification or accommodation from individuals with disabilities, consistent with the Americans with Disabilities Act can be made by contacting the City Clerk's Office at (213) 978-1133. For Telecommunication Relay Services for the hearing impaired, please see the information below.

## Telecommunication Relay Services (TRS)

Telephone communication is one of the most important forms of communication in society today. Due to advancements in technology, telephone devices have evolved with new services and capabilities. Individuals who are deaf and hard of hearing, and individuals with a speech disability are following these trends and are rapidly migrating to more advanced telecommunications methods, both for peer-to-peer and third-party telecommunications relay service (TRS) communications. Telecommunications Relay Service is a telephone service that allows persons with hearing or speech disabilities to place and receive telephone calls. TRS is available in all 50 states, the District of Columbia, Puerto Rico and the U.S. territories for local and/or long distance calls. TRS providers - generally telephone companies - are compensated for the costs of providing TRS from either a state or a federal fund. There is no cost to the TRS user.

What forms of TRS are available? There are several forms of TRS, depending on the particular needs of the user and the equipment available: TRS includes: Text to Voice TIY-Based TRS; Speech-to-Speech Relay Service; Shared Non-English Language Relay Service; Captioned Telephone Relay Service; Internet Protocol Relay Service; and Video Relay Service. Please visit this site for detail descriptions, https://www.fcc.gov/consumers/guides/telecommunications-relay-service-trs.

Don't hang up! Some people hang up on TRS calls because they think the CA is a telemarketer. If you hear, "Hello. This is the relay service .. . " when you pick up the phone, please don't hang up! You are about to talk, through a TRS provider, to a person who is deaf, hard-of-hearing, or has a speech disability.

For more information about FCC programs to promote access to telecommunications services for people with disabilities, visit the FCC's Disability Rights Office website.

## Public Input at City Council Meetings

An opportunity for the public to address the Council on agenda items for which public hearings have not been held will be provided at the time the item is considered or during the Multiple Agenda Item Comment period. Members of the public who wish to speak on items shall be allowed to speak for up to one minute per item up to a total of three minutes per meeting. The Council has determined that a cumulative total of 20 minutes is a reasonable minimum amount of time for the Multiple Agenda Item segment of each regular meeting.

The Council will also provide an opportunity for the public to speak on public interest items. Each speaker shall be limited to one minute of general public comment each regular meeting for a cumulative total of ten (10) minutes. The Council shall not discuss or take action relative to any general public comment.

If you wish to provide documents to the full Council for consideration on an item, please present the Sergeant-At-Arms with 35 copies. Otherwise, your materials will simply be added to the official record.

## Amendments

Amendments introduced during a Council meeting will be made available in person inside the Council Chambers and online through a public drive. The drive can be found on https://clerk.lacity.gov/council-and-public-services/council-committee under the "Council Meeting Process" section. The drive will only contain amendments introduced at that specific Council meeting and will be emptied after the meeting adjourns.

## Notice to Paid Representatives

If you are compensated to monitor, attend, or speak at this meeting, City law may require you to register as a lobbyist and report your activity. See Los Angeles Municipal Code 48.01 et seq. More information is available at ethics.lacity.org/lobbying. For assistance, please contact the Ethics Commission at (213) 978-1960 or ethics.commission@lacity.org.

PUBLIC WORKS COMMITTEE REPORT , DRAFT AND FINAL ENVIRONMENTAL IMPACT REPORT (EIR), and MITIGATION MONITORING AND REPORTING PROGRAM (MMRP) relative to the vacation of portions of Pico Boulevard, and LA Live Way (Subsurface Space, Air Space, and Street Vacation) (VAC- E1401376).

Recommendations for Council action:

1. FIND that street vacation proceedings pursuant to the Public Streets, Highways and Service Easements Vacation Law be instituted for the vacation of the public right-of-way as indicated in the City Engineer report dated September 17, 2026, attached to the Council file, and shown colored blue on Exhibit C of said City Engineer report, and that the exact limits of the vacation areas be permitted to be adjusted by the City Engineer based on the final design of the private facilities to be constructed within the proposed vacation areas:

    a. Pico Boulevard, from LA Live Way to approximately 785 feet southeasterly thereof:

        i. The limited air space, with a lower limit of 15 feet above street surface and an upper limit of 200 feet above the street surface.

        ii. On northerly side, the 20-foot-wide limited air and subsurface space, with an upper limit of 15 feet above street surface and a lower limit of 100 feet below street surface.

        iii. On and along centerline, the 14-foot-wide limited air and subsurface space, with an upper limit of 15 feet above street surface and a lower limit of 1 foot below street surface.

        iv. On and along centerline, the 41-foot-wide limited subsurface space, with an upper limit of 1 foot below street surface and a lower limit of 100 feet below street surface.

        v. On southerly side, the 12-foot-wide limited air and subsurface space, with an upper limit of 15 feet above street surface and a lower limit of 100 foot below street surface.

    b. Pico Boulevard, from approximately 200-feet westerly of Figueroa Street to 40-feet westerly thereof:

        i. The limited airspace, with an upper limit approximately 88.5-feet above street surface to a lower limit of approximately 15-feet above street surface.

        ii. On and along the centerline, the 4-foot-wide limited air and subsurface space, from an upper limit of 15-feet above street surface and a lower limit of 100 feet below street surface.

        iii. On the northerly side, a 1-foot wide limited subsurface from the street surface to a lower limit of 100-feet below street surface.

    c. LA Live Way, from Pico Boulevard to approximately 222 feet southwesterly thereof, the variable width limited air space, with a lower limit of 15 feet above street surface and an upper limit of 40 feet above street surface.

d. LA Live Way, from Pico Boulevard to approximately 234 feet northeasterly thereof, the variable width limited air space, with a lower limit of 15 feet above street surface and an upper limit of 40 feet above street surface.

e. LA Live Way (a portion of) from an approximate distance 100-feet southwest of Pico Boulevard to 300-feet southwesterly thereof, the limited subsurface, from the street surface to 100-feet below street surface.

2. FIND that the vacation of the areas described in said City Engineer report and shown colored orange on Exhibit C, be withdrawn from this request. The applicant has requested that these areas be withdrawn from their request (Transmittal 10 of said City Engineer report).

    a. Chick Hearn Court, from approximately 41 feet westerly of Georgia Street to 67 feet westerly thereof:

        i. The limited air space, with a lower limit of 15 feet above street surface and an upper limit of 70 feet above street surface.

        ii. The 15-foot-wide limited air and subsurface space, with an upper limit of 15 feet above street surface and a lower limit of 100 foot below street surface.

    b. Bond Street, from Pico Boulevard to easterly terminus at LA Live Way.

    c. Pico Boulevard, an area approximately 64 feet by 97 feet westerly of LA Live Way, the limited air space, with a lower limit of 15 feet above street surface and an upper limit of 70 feet above street surface.

3. REVIEW and CONSIDER the Draft and Final EIR for the Convention and Event Center Project (FEIR), which were prepared by the City in compliance with the California Environmental Quality Act (CEQA), and certified by City in October 2012; the December 2021 Addendum to the Convention and Event Center Project EIR; and, the December 2021 Joint Analysis for the Convention Center Expansion and Modernization Project and JW Marriott Hotel and Conference Center Expansion Project (Transmittal Nos. 3, 4, 5, 6 of said City Engineer report).

4. FIND under CEQA Guidelines Section 15091(a)(1) that changes or alterations have been required in, or incorporated into, the subsurface space, air space, and street vacation that reduce or substantially lessen the significant environmental effects as identified in Chapter IV, MMRP of the FEIR, pages IV-1 through IV-110 and in the City's CEQA review Memo, dated April 13, 2022 (Transmittal 7 of said City Engineer report) which is attached and incorporated herein.

5. FIND that no new information exists to show that the project or circumstances of the project have been changed to require additional environmental review, as described in State CEQA Guidelines Section 15162, and therefore the existing environmental documents adequately describe the potential impacts for this subsurface space, air space, and street vacation.

6. SPECIFY that the Permit Case Management Division of the Bureau of Engineering (BOE), located at 201 North Figueroa Street, Suite 200, Los Angeles, CA 90012, is the custodian of the documents or other relevant material which constitute the record of the proceedings upon which the Council's decision is based.

7. FIND that there is a public benefit to this street vacation. Upon vacation of the street, the City is relieved of its ongoing obligation to maintain the street. In addition, the City is relieved of any potential liability that might result from continued ownership of the involved street easements.

8. FIND that, in conformance with Section 556 of the City Charter, the Council make the finding that the vacation is in substantial conformance with the purposes, intent and provisions of the General Plan.

9. FIND that, in conformance with Section 892 of the California Streets and Highways Code, the Council determine that the vacation areas are not necessary for non-motorized transportation facilities.

10. FIND that, in conformance with Section 8324 of the California Streets and Highways Code, the Council determine that the vacation areas are not necessary for present or prospective public use.

11. ADOPT said City Engineer's report with the conditions contained therein.

12. AUTHORIZE the BOE to issue a revocable permit to the petitioner of this vacation request, or its representative, subject to satisfaction of the conditions for issuing such permit, to close, fence, occupy, demolish, excavate, grade, and construct in the public right-of-way of a portion of Pico Boulevard and LA Live Way within the conditionally approved vacation area, prior to finalizing and recording the street vacation of a portion of this street.

13. RESCIND the Council Action of November 19, 2024 relative to the Draft and Final EIR and Public Works Committee Report for the vacation of portions of Pico Boulevard and LA Live Way under Council file No. 21-0458.

**Fiscal impact statement** The City Engineer reports that on November 10, 2020, under Council file No. 20-0600-S82, the Council adopted the Financial Status Report Fiscal Year 2020-21. The document identifies funding in the amount of $79,430.72 to be reappropriated by the Controller to Municipal Improvement Corporation of Los Angeles (MICLA) Fund No. 29B, Account No. 50T178, and transferred to Engineering Fund No. 100/78, Account No. 001010, for the investigation of this request pursuant to Section 7.42 of the Los Angeles Administrative Code (LAAC). Any deficit fee to recover the cost pursuant to Section 7.44 of the LAAC will be required of the petitioner. Maintenance of the public easement by City forces will be eliminated.

## Council Process

The City Council meets Tuesday, Wednesday and Friday at 10:00 A.M. The agendas for City Council meetings contain a brief general description of those items to be considered at the meetings. Council Agendas are available in the Office of the City Clerk, Council and Public Services Division, Room 395, City Hall, 200 North Spring Street, Los Angeles, CA 90012, and on the City's website at lacity.gov or lacouncilcalendar.com.

Ten (10) members of the Council constitute a quorum for the transaction of business. The Council may consider an item not listed on the agenda only if it is determined by a two-thirds (10) vote that the need for action arose after the posting of an Agenda. Some items on the agenda may be approved without any discussion, however, any item may be called "special" by a Councilmember. If an item is called "special" it will be "held" until the remainder of the items on the Council agenda have been acted on by the Council. An item may also be called "special" if a member of the public has requested to speak on the item and a public hearing was not previously held.

The City Clerk will announce the items to be considered by the Council, however items will be grouped. For example, all items for which required public hearings have not previously been held are listed in one section on the printed agenda. The Council President will ask if any Councilmember or member or the public wishes to speak on one or more of these items. If anyone wishes to speak on an item, it will be called "special". The remaining items in this section will be voted on by Council with one roll call vote.

## Exhaustion of Administrative Remedies

If you challenge a City action in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the City Clerk at or prior to, the public hearing. Any written correspondence delivered to the City Clerk before the City Council's final action on a matter will become a part of the administrative record.

## Code of Civil Procedure Section 1094.5

If a Council action is subject to judicial challenge pursuant to Code of Civil Procedure Section 1094.5, be advised that the time to file a lawsuit challenging a final action by the City Council is limited by Code of Civil Procedure Section 1094.6 which provides that the lawsuit must be filed no later than the 90th day following the date on which the Council's action becomes final.

## Supporting Materials

Materials relative to items on this agenda can be obtained from the Office of the City Clerk's Legislative Management System, at **lms.lacity.gov** by entering the Council File number listed immediately following the item number (e.g., 00-0000).
