Proposed Amendments

Special Homelessness and Health Committee
November 10, 2026

CF 26-1347 - Item 5

ADOPT the Motion and add the following instruction:

INSTRUCT the City Administrative Officer, with the support of relevant departments, to release a monthly list of City-funded interim housing facilities with ID numbers and include details such as total number of beds, number of beds that are offline, and facility operator. The report should not include personal information of the clients and should not include addresses for facilities for survivors of domestic violence and youth.

CF 26-0600-S118 - Item 6

APPROVE the recommendations in the November 6, 2026 City Administrative Officer Report as amended:

1. Request LAHSA to report back on a strategy to ensure that the Winter Shelter program is meeting the needs in the district with the highest number from the most recent Point-in- Time Count.
2. Instruct the City Administrative Office with the Homelessness Oversight Bureau in the Los Angeles Housing Department to report on future implementation of, if and when the LAHSA dissolution would have occurred, on how the function of these activations could be conducted by a Los Angeles Housing Department instead of Los Angeles Homeless Services Authority.
3. Instruct the CAO with the Homelessness Oversight Bureau and CLA to report on the Winter Shelter motel activations occurring via Council Motion, if possible.
4. Request the County's Homeless Services and Housing Department to allocate a portion of it's set aside of $4 million for El Nino related programming to the City's Winter Shelter Program.
