Hi,

Where exactly am I supposed to submit this code? I submitted the comment and was not prompted for this code ANYWHERE! Why is this new system so unnecessarily complicated!

Best regards,

Janet

"Let not any one pacify his conscience by the delusion that he can do no harm if he takes no part, and forms no opinion. Bad men need nothing more to compass their ends, than that good men should look on and do nothing. He is not a good man who, without a protest, allows wrong to be committed in his name, and with the means which he helps to supply, because he will not trouble himself to use his mind on the subject."
